Roc No. 374.

Station Madras. , Dated the 3rd November 1916.

From (Name) C.A. Innes, Esq., I.C.S.
(Designation) Director of Industries.

To The Secretary to the Government of Madras,
Home (Educational) Department.
Thro. The Accountant-General.

Sir,

I have the honour to state that in G.O. No.
1290 Rev. dated 9th May 1908, a Motor car was supplied at
Government expense to Mr. Chatterton, then Director of
Industries to enable him to supervise effectively the
several branches of work under his control. This car,
which has been in use for more than 8 years, is now out
of order and I learn from Mr. Connell, a motor car engineer
that the principal repairs required in order to put it
into running order are new cylinders and pistons and a
new gear box. If these parts are supplied, Mr. Connell
thinks that the car would be serviceable for some time to
come. I am, however, not in favour of incurring any
further expense on the car. As Mr. Tressler pointed out

in his letter to Government in the Revenue Department No. 226/27-2-14 dated 26th February 1914, the car is under-powered and is of so obsolete a type that it cannot be relied on to go more than a short distance without breaking down. I consider that the best course would be to sell the car in auction for what it will fetch, for I see no

advantage in Government continuing to expend Rs. 600 per annum (the sanctioned allotment for repairs) in endeavouring to keep this ancient car in running order, and I would ^{suggest} that instead of being supplied with a new car, I may be given an advance of Rs. 3600 under the provisions of art. 137 VIII of the C.A.C. to enable me to buy a car of my own, the advance being recovered in monthly instalments of Rs. 100.

2. I should be much obliged if I could have very early orders on this letter as I find it quite impossible to carry on my work satisfactorily without a motor car. The pencil and Lime Brick Factories and the Leather Trade School, which I have to inspect frequently, are situated in Washermanpet and the Glass Factory is on the Marina. My office is situated in the Poonamallee High Road and the business firms with whom I have to keep in close touch are ^{mostly} in George Town at the other end of the town.

I have the honour to be,

Sir,

Your most obedient servant,

Chm
Director of Industries.

Forwarded with the report that there is no audit objection to Government sanctioning the grant of an advance of Rs. 3600/- to Mr. C. A. Dunes, D.C.S. for the purchase of a Motor Car, if they consider that it is in the interest of the public Service that he should use a Motor Car in the discharge of his duties -- vide article 137 (i) of the Civil Account Code, Volume I.

2. The grant of the advance, which is recoverable in thirty-six monthly instalments, is subject to the execution of a Mortgage Bond in the prescribed form and to the insurance of the Car against loss & damage by fire or accident.

3. There is no advance of any kind outstanding against the officer in the hands of this office.
