OFFICE NOTE.

SUBJECT. advance to miss Philip Smith, sub-assistant
inspector for the purchase of a motor cycle

From The D.P.O. no. 7427 & 9.12.15

Register No. 4346 Vol

Advances to officers for the purchase of
motor-cycles are now permissible under the orders
(R) conveyed in G.O. no 621 Fint, dated the 7th October
1915. It is not, however, clear whether the conditions
mentioned in this order are the only ones to be
attached to the advance or whether they are
supplementary to the other general conditions applicable
to the advances for motor cars.

2. One of the conditions laid down in the
case of motor cars is that the amount of advance
should not exceed Rs 7,500 or four months' pay, which
is less. Only the money limit has been fixed
for motor cycles. ~~If the salary limit is also fixed~~
It is doubtful whether the salary limit should also
be taken into account for cycles. If this is adopted,
miss Philip Smith can be given an advance of
only Rs 500 (4x125).

is silent on the point whether the officers concerned should be asked to insure the cycles and execute a mortgage deed as in the case of motor cars. For orders whether the subassistants inspectors should be asked to do this.

4. Financial ^{perhaps} may be requested to advise in the first instance on the above points.

I don't think ~~that~~ we should give an advance so out of proportion to the officer's salary. Repayment spread over 25 months will take Rs 32 a month out of his Rs 125. If running costs are added, his motor cycle and side car will eat at half his pay and other men will only carry himself and not his saman. I think we should refuse sanction.

If this Asst. Inspectress receives T. A. and has probably other conveyance - expenses which she helps to reduce - these considerations qualify the Secretary's criticisms. Her application may I think be supported.

- As pointed out in para 2 of the Educational office note dated 14.12.15 (page 2 h.f.) the maximum limit of advance in the case of a motor car is Rs 7,500 or four months pay, which ever is less, but the Local Govt may base the amount on Salary, instead of pay proper, in certain circumstances (Jin. Dr. Rem 31381-23.5.11 in go 364. Int. 24.7.11). In the case of advances for motorcycles, the pay of the officer should not exceed Rs 600 a month and the amount of advance should not exceed Rs 1,000 (Jin. Dr. Rem 12422. B. 21.9.15 in go 621. Int. 7.10.15). The Govt. of India appears to have deliberately waived the condition as to four months pay or salary—please see para 1 of P.W.D. note 25.11.15 in the case of go 793. Int. 10.12.15. Until the Govt. of India themselves make an express pronouncement or the A.G. raises the question, it does not appear the necessary to ~~raise~~ limit advance for the purchase of motorcycles to four months pay or salary.
2. Go 793. Int. 10.12.15 deals with the question of insurance of motorcycles. Form 14 B. of the C.A. Code provides for the insurance of the machines purchased with the aid of advances made in India, while para 3

insists on the insurance of machines purchased by means of advances drawn in England on the relation of the office to India.

A of Educ: office note. The only conditions that apply are those mentioned in Indian letter no. 1242. E. B. of 21. 9. 15.

B. of Educ: office note. Motor cycles must be insured and a motor. gage bond executed. E. O. 14793. Dated 10. Dec. 1915.
