INDIA OFFICE,
WHITEHALL,
LONDON, S.W.

12th October, 1916.

Dear Sir,

The Imperial Institute has recently enquired for reports upon Indian Dyes by Dr. Marsden. These reports, which, according to a leading article in the Madras Weekly Mail of 18th August, 1916, consist of a special one issued some time ago, and a series of quarterly ones, do not appear to have been supplied to this department. In view of the great interest taken in the question of natural and synthetic dyes at the present time, I shall be glad to receive 10 copies of the special report and 10 of the latest quarterly report as soon as possible, and the same number of copies of any reports issued in future upon this subject. If copies of the earlier quarterly reports by Dr. Marsden are still available, I shall be obliged if one copy of each can be supplied, to be retained at this office as a record set.

Yours faithfully,

William Foster

Registrar and
Superintendent of Records.

The Chief Secretary to the
Government of Madras,
Madras.
