Resolution
Reference.

The Hon. Mr. J. L. Buckley,
Commr. of Revenue Sett., survey, L.R. & Agri.

Reference No. 2176 dated 23rd October 1916.

At the instance of the Director of Survey, the Board submits to Government for favour of exemption from the operation of Art. 1 of the Public Service Notification, the names of five permanent Deputy Surveyors specified in the accompanying list. These persons have been holding temporary appointments in the upper subordinate grades for some considerable time and have passed the departmental test

for Head Surveyors and Sub Assistants. The Director states that, although they do not possess the prescribed general educational qualifications, they can all write their reports and decisions in tolerable English and are efficient in the discharge of their duties. The object of the concession sought for is to confirm them as Head Surveyors as vacancies arise.

Deputy
Secretary.

Settlement of land Complaints, it would be eminently desirable that a higher standard of efficiency should be looked for in the case of these officers. In para 1 (ii) of its reference 2002 of 6-10-16 the Board of Rev has observed that on account of the low general ~~standard of~~ educational qualifications of the ~~the~~ present class of head surveyors and even sub-assistants, their disposal of land Complaints is far from satisfactory. It is not also known whether the Director of Survey has made bona fide effort to procure men with the requisite qualifications. It is for consideration whether the case of these men for exemption may be recommended and the file sent to Educational Dept. ^{for their orders.} ~~whether the Board of Rev may be asked to report to the Director of Survey whether any effort has been made to procure men for the post.~~

They are mostly men of long service. I submit that it makes little difference to the Dept whether they are temporary or permanent making them permanent

⑤ File connected with this is under separate consideration.
