Applications have been received from the Principal, Theosophical College, Madanapalle, for the further affiliation of the college in "Malayalam" and "Persian" under Group iii of the Intermediate course, and I am directed by the Syndicate to request you to be so good as to conduct a local inquiry at the college under section 21 (2) of the Indian Universities Act, 1904, after the coming summer vacation. The Syndicate desires that you should not only inquire into the arrangements made for the teaching of both "Malayalam" and "Persian", but also report with reference to the library provision already existing or proposed to be made, specially in regard to "Persian". It is presumed that you will be willing to undertake the duty.

Copies of the applications for the affiliation of the college in the two languages are herewith forwarded for your information.

I have to ask you to fix the date of your visit to the college in consultation with the Principal, and also that your report should be submitted to the Syndicate without being disclosed to the authorities of the institution.

(v)

Letter—from M.R.Ry. M. KRISHNAN AVARGAL, B.A., B.L.
 To—the Registrar, University of Madras.
 Dated—the 8th July 1916.

I have the honour to report that in accordance with the requisition contained in your letter No. 2226 of 23rd March last, I visited the Theosophical College, Madanapalle, on the 3rd instant. Mr. Krishnan Nayar, the Malayalam Pandit, is a Graduate in Arts and is qualified for being in charge of the Intermediate class in Malayalam. A list of more than 100 volumes of Malayalam books contained in the library was shown to me and the selection I am glad to say was judiciously and carefully made. I suggested the addition of a few more books to meet the wants of the students, which the authorities have promised to secure without any delay.

The Munshi in charge of the Persian language is an old experienced gentleman, who I understand possesses the necessary qualification for his work. He has only one student at present. Besides the class books which are all his own, there is no Persian book in the library; but a list of books was shown to me, which I was told, would be purchased without any delay for the library.

The hostel for the Malayalee students is more than a mile away from the college buildings. It is a spacious bungalow, well ventilated and remote from objectionable surroundings and is situated in an extensive ground, where on enquiry, I came to understand that the students are leading a happy life.
