PRINCIPAL AND SECRETARY,

To

The Secretary to Government,

Home (Educational) Department.

SIR,

I am desired by the Committee to report to Government that there are a few boys and girls in this school who never see any pocket money - and therefore have no idea of the value of money.

The Committee are inclined to think that knowledge of the value of money is an educational factor - and therefore venture to suggest for the consideration of Government the granting of a small sum say four annas a month to such orphans.

This is not anticipated that the amount would exceed Rs.200/- per annum, as the number of pupils might be limited to a maximum of 15% of the sanctioned strength.

*On the 31st Decr 1915
there were 446 pupils
on the rolls of the school.*

I have the honour to be,

Sir,

Your most obedient servant,

W. H. G. Padfield

Pocket money to the orphans in the
Lawrence Memorial School, Ootacamund.

[C4144] From the Principal and Secretary, Lawrence
Memorial School, C.No. 3272 dated 7th Nov 1916
U.S.

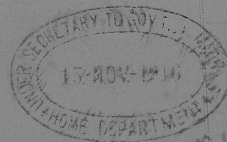

The idea appears to be good but there is
the risk of the money thus given being
mis spent e.g. in the purchase of cigarettes etc.
It appears to be desirable to ask the Com-
mittee to have some check on the expenditure
of the pocket money if the Committee's proposal
is approved. Perhaps the case may be
remitted to the D.P.F. U.O. for remarks in
the first instance.

S. May be approved. Not much harm
can be done with it as a month; and
the control of the expenditure doubtless
forms part of the ordinary routine discipline
of the school.

I see nothing about the orphans being 'deserving'.
The justification for the grant is that
I have no pocket money from any other
source. Better amend the draft. (Are
all children at the Lawrence school
orphans?)

1.

Draft of approval. In his first

para the Secretary refers to "a few boys & girls"; in his 2nd he refers to them as "orphans". Presumably he proposes to confer the privilege to orphans. There may be children at the school in the same predicament having parents living; but it is possible to frame objections to giving such children pocket money & relieving the parents to that extent. The draft limiting the privilege to orphans is therefore put up for approval.
