No. 594-9

Station Madras, Dated the 3 November 191 6

From (Name) W. HUTTON, Esq., A.M.I.C.E.,
Superintending Engineer*
(Designation) Sanitary Engineer to Government.

To The CHIEF ENGINEER,
PUBLIC WORKS DEPARTMENT, MADRAS.

Sir,

I have the honour to forward herewith the marginally
noted papers relating to M.R.RY.K.V.Narasimha Aiyengar, a
Provincial Temporary Surveyor now in charge of the Experi-
mental filters at Guindy, and to request that a general
exemption may be obtained for him from passing the Lower
Subordinate Test of the College of Engineering.

2. The Surveyor has put in a total service of about
6 years in this Department and has during this period -
carried out many water supply investigations and construc-
tional works and proved himself superior in capability to
an ordinary Lower Subordinate of the College of Engineering.
His special experience in conducting the experiments on se-

several filters at Guindy has been of particular value to this Department. He has also undergone a complete course of training and passed the Lower Subordinate grade in Civil Engineering in the Technical Institute at Bangalore and also a number of subjects in the Government Technical Examinations.

3. The exemption applied for for an indefinite period in this office No.720-G dated 19th September 1913 was granted only up to 31st March 1914 in G.O.No.302-R-Edl., dated 20th November 1913 for the first time and this has been renewed year after year. For the last time in G.O.No.121-Edl., dated 25th May - 1916 the exemption has been extended up to 31st March 1917. The Surveyor now seeks for permanent exemption to enable him to obtain a permanent situation on the ground that similar exemptions have been granted to 3 unpassed men during the year in the cases of

(1) Padmanabhan (Vide G.O.No.632-Edl.Mis., dated 7-6-1916)

(2) Vencatarama Aiyer (Vide G.O.No.91-Edl.,Mis., dated 31-1-1916.) and

(3) Janardanam (Vide G.O.No.45-Edl.,Mis., dated 11-1-1916).

and I am convinced that his retention in the Public Works Department by obtaining the exemption sought for will be of much use to the Department.

I have the honour to be,

Sir,

Your most obedient servant,

Sir,

With reference to G.O.No.121, Edl., dated 25th May 1916, extending exemption from passing out of the College of Engineering, Madras for a further period of one year, I beg to state that I possess similar qualifications given in the above College but obtained in the Bangalore Technical Institute.

I have been employed in this Department since May 1911 and have been discharging my duties to the entire satisfaction of my superiors which may be seen from the remarks made in the Annual Reports (Reports on Surveyors) and the testimonials, copies of the latter have been enclosed herein.

Being employed in charge of the Experimental Filters since the time the filters were started I have been enabled to acquire a very useful knowledge of the different methods of water filtration. The filters have, from time to time, been inspected by important officers and visitors, and in an important place as this, I have had opportunities of showing satisfaction in my work.

Under

Under the above circumstances, I most respectfully beg to request that you will be graciously pleased to obtain a general exemption so as to enable me to aspire for a permanent situation.

I may, in this connection, be permitted to point out to you, that the following persons have ~~been~~ recently obtained permanent exemptions.

H.P. Padmanabhan Gd 632 Edl., Mis. dated 7-6-16.
 S.K. Venkatrama Aiyar G.O (91 Edl., " " 31-1-16).
 S. Janardanam G.O (45 Edl., " " 11-1-16).

I beg therefore that I may also be fortunate to be placed

in a better position.

I beg to remain,

Sir,

Your most obedient servant,

The Sanitary Engineer forwards an application from M.Ry. K.V. Narasimha Ayyangar, ~~a Provisional~~ Temporary Surveyor, for permanent exemption from the Lower Subordinate test of the College of Engineering, Madras, ~~and requests~~
~~the Government to consider the application and to~~

~~in the past~~ The Surveyor ^{has been} ~~is being~~ temporarily exempted from year to year, and the last sanction lasts up to 31.3.1917. He now seeks for a permanent exemption, and both the Depy. Sanitary Engineer and under whom he is now working, and the Sanitary Engineer ~~it~~ strongly recommend the exemption.

The applicant has passed the Lower Subordinate grade in Civil Engineering in the Technical Institute at Bangalore, and also a number of Subjects in the Govt. Technical Examinations. The following statement shows the
