ABSTRACT.—Sanctioning a grant not exceeding Rs. 6,940 towards the cost of providing hostel accommodation to the St. Aloysius' College, Mangalore.

G.O. No. 1056, Educational, dated the 10th September 1914.

ABSTRACT.—Raising from Rs. 6,940 to Rs. 7,293 the maximum amount of the grant sanctioned towards the cost of providing hostel accommodation to the St. Aloysius' College, Mangalore.

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—Madras, the 4th November 1916.

No.—Ref. on C. 2935 of 1912.

The authorities of the St. Aloysius' College, Mangalore, requested permission to purchase certain plots of land for the extension of the boarding house attached to the institution. This was granted without prejudice to the question of grant. The lands have been purchased and the Government Solicitor who examined the sale and title deeds also states that the title is clear. The total cost comes to Rs. 5,750 and the college authorities request the sanction of a half grant on this amount. I have the honour to recommend that a half grant of Rs. 2,875 may be sanctioned to be paid when funds become available. The grant will be met from the allotment under "Hostels."

Memorandum No. 4073-1, Home (Education), dated the 16th November 1916.

With reference to his letter R.O.C. No. 2935, dated the 4th November 1916, the Director of Public Instruction is requested to state why the question of grant for the site for the extension of the boarding house attached to the St. Aloysius' College, Mangalore, should not as usual be considered along with that for the building to be constructed thereon, and whether there are any special circumstances in this case to warrant the consideration of the question of grant for the site alone in advance of the formulation and consideration of the scheme of extension as a whole.

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—Madras, the 24th November 1916.

No.—Ref. on 2935 of 1912.

With reference to your Memorandum No. 4073-1, dated 16th November 1916, I have the honour to state that a grant of Rs. 6,940 was sanctioned in G.O. No. 182, Educational, dated 27th February 1913, towards the cost of providing additional hostel accommodation for St. Aloysius' College, Mangalore, and that this grant was subsequently raised to Rs. 7,293 in G.O. No. 1056, Educational, dated 10th September 1914. Before the work was commenced, the Principal brought to my notice that a neighbouring landlord was causing annoyance by bringing in a number of undesirable tenants in close vicinity to the intended hostel extension and requested permission to purchase the adjoining lands so as to round off the college property and to get rid of the undesirable neighbours. I granted this permission without prejudice to the question of grant. The grant recommended in my letter R.C. No. 2935/12, dated 4th November 1916, relates to these lands. They were actually purchased in 1914; but the matter was under correspondence till now as regards the title. I submit that there is no proposal to construct any building on these lands.

Order—No. 1278, Home (Education), dated the 30th November 1916.

The Government are pleased to sanction a grant not exceeding one-half of the actual expenditure, nor Rs. 2,875, towards the cost of the site purchased for extending the hostel attached to the St. Aloysius' College, Mangalore, provided that all the conditions prescribed in the Grant-in-Aid Code have been duly complied with.

2. On these conditions being fulfilled, the grant will be paid as funds become available.

From the Director of Public Instruction, R.C. No. 2935, dated the 4th November 1916.

Please see paragraph 2 of notes to G.O. No. 850, Educational, dated the 6th August 1915, from which it is seen that it is not usual to sanction a grant towards the purchase of a site prior to the scrutiny, by the Public Works Department, of the plans and estimates relating to the building proposed to be constructed on the site. But in the case dealt with in the above Government Order, the Director of Public Instruction reported that detailed plans for the hostel had not been received, but that as it was undesirable to delay the purchase of the site in view of the possibility of some other purchaser intervening, he recommended the half-grant. Under the above circumstances, the Government sanctioned a half-grant to the A.E.L.M. high school at Peddapur, though plans and estimates had not been received.

2. In his present application for a half-grant towards the purchase of a site for extension of the boarding house attached to the St. Aloysius College, Mangalore, no extenuating circumstances, such as those mentioned in the Director of Public Instruction's letter read in G.O. No. 850, Educational, dated the 6th August 1915, have been brought forward so as to warrant a deviation from the usual practice. It is also not known whether the extensions to the boarding house will be taken up by the authorities in the near future.

3. The Director of Public Instruction may be informed that the plans and estimates for the extension of the boarding house should be submitted to the Government before the question of a grant can be considered. Draft official memorandum submitted.

S.N.P.—13-11-16.

T.K.—14-11-16.

We may first ask the Director of Public Instruction as to why the question of grant for site alone should be considered in advance of that for the scheme of extension as a whole. Please issue the memorandum as revised.
