Education.

Sir,

In G.O.No. 685, Educational, dated 10th June 14
sanction was accorded to the employment for a period of one
year of an additional teacher on Rs 15 per mensem in the
Government Elementary School for Boys at Cherla in the
Godavari Agency and to the payment of a local allowance of
Rs 3 per mensem to the Headmaster of that school so long as
a second teacher was employed therein. The above sanction
having expired on the 6th November 1915, Government in
their order No. 1453, Educational, dated 22nd December 1915
sanctioned the continuance of the temporary post for another
year i.e., until 5th November 1916. Both the Government

2 Agent, Godavari, and the Inspector of Schools, First Circle, report that the strength of the school which contains five standards has increased since 1914 from 40 to 56 as detailed

Standard	Strength 1914	Strength 1916

III	1	3
II	1	3

in the margin and accordingly request sanction for the permanent retention of the additional teacher. I consider the proposal

to be reasonable and I have therefore the honour to request that Government will be pleased to sanction the retention of the additional post permanently with effect from the 6th proximo.

2. I further beg to request that sanction may be accorded to the retention for another year from the 12th proximo of the temporary teacher on Rs 15 per mensem in the Government Girls' School, Venkatapuram, mentioned in the G.O's quoted in para 1 supra. Although the strength of the school in question has decreased from 71 in 1914 to 58 as shown in the margin yet both the Government Agent

81 of the Madras Educational Rules, seeing that there are five standards in the school and that there is an increase in the strength of the higher standards. Should the proposal commend itself to Government, I propose to inform the Government Agent and the Inspector that the further retention of the additional teacher is conditional on the school showing improved attendance.

3. Provision for the charge has been entered in the

3 current and ensuing years' Civil Budget Estimates.

I have the honour to be,
Sir,

OFFICE NOTE.

SUBJECT. Retention of the additional teachers in
the Govt. elementary School for boys
at Cherla and Neukatapuram.

From
the D.P.D. No 808/16 dt the 26.10.16.

Register No. 3839 Ed?

In G.O. no 685 Ed, dt the 10.6.14 & no 1453
Ed, dt the 22.12.15, the Govt. sanctioned the emp-
ment temporarily, ~~from~~ of an additional teacher
on Rs 15/- in the elementary school at Cherla
and ~~the~~ of a third teacher in the school at
Neukatapuram and also the grant of a local
allowance of Rs 3/p.m to the headmaster of the
Cherla school so long as a second teacher
is employed therein.

2. The D.P.D. now recommends that the post
of second teacher in the Cherla school may be
made permanent. In view of the marked increase
in the strength of the school, the proposal may be
accepted. In that case, the headmaster will

a higher remuneration than that of the ^{junior} teacher. and it may in future, be classed as "deputy allowance" within the meaning of G.O. No. 355 of the 26.6.16.

(7)

3. The D.P.D. also recommended the retention for a further period of one year of the post of ^{the third} ~~additional~~ teacher in the Veekataparam School.

There has been a decrease in the strength of the ^{the third} School since 1914 and the case for the retention of the third teacher seems rather weak. The D.P.D. proposal may however be sanctioned on condition that the School shows improved attendance.

4. A draft order is submitted for approval. It may be sent to procl. and Final for acceptance.

make the school in Venkateswara as far as possible a model school to be an example to that backward tract. Then teacher is by no means excessive for 58 pupils, a fair proportion of whom are in the higher standard. Accepted in this notice of Government.

3. Item (b) - Both the schools have almost the same number of pupils distributed more or less to a similar extent in five standards. As the D.P.S. considers two teachers sufficient for the Cherla School, the same number of teachers would presumably suffice for the other school as well; but in the circumstances detailed in para 2 of D.P.S. letter on page 2 C.F. and in Home (Ind) U.S. note on pages 2-3 and, the continuance of the third teacher on a temporary footing may, if it is submitted, be accepted.

4. The draft order may, if it is submitted, be accepted in financial, the sanction being registered as No. 133 of 1916-17. For funds, please see D.P.S. letter (para 3) on pages

for our school will lead to
the creation of a similar ap.
position in the Chula school.
It will be noted that the D.P.I.
says he will inform the Gal. Agent
and the Inspector that the fur-
ther retention of the additional
teacher is conditional on the
school showing improvement at
attendance. I am not sure who
this it would not be better
to tell the persons concerned
that Gal. cannot agree to
the continuance of the tem-
porary teacher till the school
shows improvement attendance.
The adoption of this course
is commended to the con-
sideration of Home dept. If,
however that dept. considers
this plan unsatisfactory and
will not press it upon us.
Then, if Home desires to con-
sult the D.P.I. on this point
no objection.

In view of the Exch-Secretary's remarks on page 2-3 ante, it is for orders whether the draft may issue or whether the S.P.D. should be considered w.o. as to whether the course suggested by Friedl at 1 on p. 5 ante may be adopted.
