HOME DEPARTMENT

(Education)

READ—the following paper :—

Letter—from the Hon'ble Mr. J. H. STONE, M.A., C.I.E., F.R.H.S., Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—Madras, the 16th November 1916.

No.—R.O. 8606.

I have the honour to submit herewith letter R.A. No. 3019, dated the 16th October 1916, from the Honorary Secretaries of the Muhammadan Educational Association of Southern India relating to the endowment of two scholarships to be named "The Boddam Muslim Scholarship Endowment" and to recommend that, as a very special case, a grant equal to the amount provided by the association, viz., Rs. 5,000, may be sanctioned. I make this recommendation as the grant may be met from the savings anticipated during the current year from the special recurring grant of Rs. 30,000 for Muhammadan education and as it is appropriate to devote these savings to the purpose in view.

ENCLOSURES

(1)

Letter—from the Honorary Secretaries, The Muhammadan Educational Association of Southern India.

To—the Director of Public Instruction.

Dated—the 16th October 1916.

No.—R.A. 3019/6.

We beg to inform you that at the last annual meeting of this association a sum of Rs. 5,000 was set apart for the creation of the Boddam Muslim Scholarship Endowment and it was also resolved that the Government of Madras be requested to make a special grant of an equal amount and that in case the Government should accede to the request, the aggregate sum of Rs. 10,000 be invested in Government promissory-notes to be entrusted to the Treasurer of the Charitable Endowments who would pay half-yearly interest to this association, being the administrators of the said Boddam Muslim Scholarship Endowment.

The association is now in a position to hand over to you or to the Treasurer of the Charitable Endowments Rs. 5,000 in Government $3\frac{1}{2}$ per cent paper and request you to sympathise with this movement. The late Mr. Boddam was a benefactor of the Mussalmans of this Presidency and we feel that the institution of scholarships in his memory would be specially appropriate and we hope that these scholarships would encourage the progress of higher education among the Mussalmans of Southern India.

It is desired to name these scholarships as Boddam Muslim Memorial Scholarships which may be tenable by Muhammadan students at either the Arts, the Engineering, Medical, Law or any other professional college, to be awarded annually by the Executive Committee of the Muhammadan Educational Association of Southern India.

The association now requests the Government to be so good as to sanction as a special case a grant equal to the amount of Rs. 5,000 being the contribution of this association so that a sum of Rs. 10,000 may be available which will be sufficient to provide two scholarships of the monthly value of Rs. 15. We therefore request you to forward this application to the Government with your warm support. In case the funds are not available this year, the special grant applied for may be sanctioned at the commencement of the next year.

After the sanction of the Government grant, we are willing to make a joint application under section 6 (1) of the Charitable Endowments Act (VI of 1890), to vest the fund of rupees 10,000 in the Treasurer of Charitable Endowments. A draft scheme for the administration of the Trust to be settled on the lines of the Wenlock Memorial (Muslim) Scholarship, being G.O. No. 611, dated the 9th July 1912, is herewith annexed for sanction.

(2)

A draft scheme under section 5 of the said Charitable Endowments Act, 1890, for the administration of the proposed Boddam Muslim Memorial Scholarships Endowments.

From the Director of Public Instruction, dated the 16th November 1916, No. 8606.

Under article 61 of the Grant-in-Aid Code, a grant not exceeding one half of the amount given or devised may be made for the endowment of scholarships, etc. But the Educational Conference which met in March last recommended "that the Government contributions to grants for endowments should be equal to the amount subscribed by the management on this behalf" (vide resolution No. 26 on page 19 of the proceedings of the Conference). The Director of Public Instruction also supports the recommendation (vide paragraphs 4 and 5 on pages 15-16 of the proceedings). In view of these facts and in the circumstances stated in the current file it is submitted that the Director's proposal to grant as a very special case Rs. 5,000 towards the endowment fund in question may be approved. For a precedent please see G.O. No. 698, Educational, dated the 29th July 1913.

Subject to orders a draft is submitted which if approved may issue with the concurrence of Financial.

The grant is to be met from the unutilized Imperial grant of Rs. 30,000 for Muhammadan education.

V.G.K.—25-11-16.

I am not sure that Financial can agree to this expenditure of Rs. 5,000 unless Home (Education) can certify to its being *absolutely necessary*. The fact that the money can be found is not in itself sufficient justification—vide Memorandum No. 8349-1, Financial, dated the 28th December 1915, which follows the orders of the Secretary of State. Home (Education) may, I submit, be asked to reconsider the proposal in the light of the above remarks.

L. E. KERSHAW—25-11-16.

In normal times the proposed subsidy would be in order, but, unless it should be considered that for political reasons, e.g., the encouragement of Muslim self-help, such assistance is really a matter of urgent need, I do not think Financial can treat this as a "special case" or assent to any grant-in-aid.
