Sir,

With reference to G.O. No. 1069 Home (Education), dated 9th October 1916, I have the honour to state that on the recommendation of the Principal, Madras College for Women, seven scholarships have been sanctioned this year on behalf of female students coming from Cochin State. I am not disposed to do anything which would militate against as many women as possible obtaining college training in South India. At the same time I would point out that scholarships tenable in colleges from Madras funds are usually reserved for applicants who are resident in the Madras Presidency. I find,

GMP

moreover, that five out of seven of these scholarship holders hope to find work in Cochin State after they have finished their course. This fact is clearly of importance when considering the award of scholarships, even if, as is possible, some of the scholarship holders eventually come into our service. I mention these ^{points} because, while there is no reason to expect that applications from Cochin students will be less numerous in future years, it is doubtful whether Government would wish to go on granting scholarships from Madras funds to so large a proportion of them. At any rate the number of scholarship holders from Cochin could not well be increased. Under these circumstances I would suggest for the consideration of Government whether a recommendation might not be made for the institution of a few scholarships by His Highness the Raja's Government tenable in the Madras College for Women.

I have the honour to be,

S i r,

Your most obedient servant,

G. V. S. S. S.

for Director of Public Instruction.

NOTES.

Home (Edn) Dept.

Institution of some scholarships in the Madras College for Women by the Cochin Govt.

[C4322] From the Dir. of Pub. Instr., C.No. 9597, dated the 22nd November 1916.

The proposal of the Dir. of Pub. Instr. that a recommendation might be made to the government of His Highness the Raja of Cochin for the institution of a few scholarships tenable in the Madras College for Women by the Cochin Darbar on behalf of the girls of that State who study in this college appears to be ~~very~~ reasonable and ~~it is suggested~~ may be accepted for the reason that scholarships tenable in colleges from Madras funds are usually reserved for applicants who are resident in the Madras Presidency. A draft order requesting the Resident in Travancore and Cochin to place the suggestion of the Director before the Cochin Darbar for consideration is subd. for approval. It may issue after acceptance by Public Department, Political section.

With reference to the draft order, it is for consideration whether, in order to enable the bochin barbar to deal satisfactorily with the matter, the draft may not be amplified showing the principle on which the grant by Govt. of a large number of Scholarships in the Madras college for women is based and giving the number of bochin girls in the college compared ^{with} the total strength.

Submitted for orders.
