166. With reference to the answer given to Question 63 asked at the meeting of the Council held on the 5th April 1916, regarding the desirability of opening a training school for school mistresses at Cuddalore, have the recommendations of the Director of Public Instruction in regard to the opening of additional training schools for mistresses been received by Government, and if so, what is the action proposed to be taken by Government as the result of the recommendations?

dated the 30th Sept 1916. A Provision has been made in the Budget Estimate for 1917-18 for opening additional training schools for women.

The proposals of the D.P. in regard to the opening of additional training schools for mistresses are still awaited. Perhaps, with the permission of H.E. the Governor, the D.P. may be requested u.o. to state in what stage the proposals are and they may be expected by the Government.

U Please see p 5 of G.O. No. 428 Ed., dated the 18th April 1916, for Q. 63 asked at the meeting of the Legislative Council held on the 5th April 1916 and the answer given thereto and also the notes on p. 4 of the G.O.

2 A lump provision of Rs. 10,000 was entered in the Budget Estimate of 1916-17 for opening additional training schools for women. Of this amount Rs 7,360 has already been reappropriated for other items of expenditure ^(as the D.P.I. was unable to find other sources from which the amount required could be met.) vide G.O. No. 221 Fin., dated the 30th Sept 1916. A Provision of Rs. 10,000 has ~~been~~ ^{proposed by the D.P.I.} in the Budget Estimate for 1917-18 for opening additional training schools for women.

3. The proposals of the D.P.I. in regard to the opening of additional training schools for mistresses are still awaited. Perhaps, with the permission of H.E. the Governor, the D.P.I. may be requested u.o. to state in what stage the proposals are and when they may be expected by the Govt.

I don't think I can undertake to submit
proposals before the legislative council
meets. Any proposals will be for next
year for which I have asked for a
lump provision of Rs. 10,000.

The difficulty is to decide among the competing
claims of various places to which ^{have} recently
been added Vellore and Bellary. I discussed
the question with Mr. Zund this morning
and we decided that Bellary had the first
claim.

Perhaps the answer might be that proposals for making provision for the training of women teachers at Cuddalore will very shortly be submitted by D.

I suggest this form because the Government has an idea of beginning there and elsewhere on a modest scale with training classes attached to existing schools so that the Government may not be exactly opening a training school.
