Sir,

In their order No. 787 Edl. Mis., dated 6th July 1914 Government were pleased to sanction a special grant of Rs. 2,000/- without a contribution from the management, towards the preparation, stereotyping and embossing of readers in Tamil and Malayalam for the use of the Schools for the Blind, Palamcottah.

2. It will be observed from para 4 of my letter No. R.C. 4850 of 1914, dated 12th June 1914 on which the above order was passed that it was anticipated that similar application would be made in 1915 and 1916. There was, however, delay in utilizing the grant sanctioned on account of the war and

2

so the Correspondent did not make any application for special grant in 1915.

3. ^{From} ~~Further~~ the vouchers now received in respect of the grant referred to in para 1 and the letter of the Correspondent dated 13th November 1916, copy enclosed, it will be observed that a sum of Rs. 2,969/- has been spent till now against a grant of Rs. 2,000/- already drawn and that a further sum of Rs. 1,500/- is likely to be spent during the course of the year. I therefore recommend that a further grant of Rs. 2,000/- may be sanctioned as a special case without any contribution from the management to be paid on a bill countersigned by the Inspectress and subject to the condition that duly receipted vouchers in support of the expenditure are submitted to the Director before 31st December 1917.

4. The expenditure will be met from the provision under 'Furniture, apparatus and other special objects under Grants-in-Aid - Non-European Schools' in the current year's budget.

I have the honour to be,

S i r,

Your most obedient servant,

Letter from the Correspondent, C.M.S. Schools for the Blind, Palamcottah, dated 13th November 1916.

I beg to inform you that in a letter I wrote to the Director of Public Instruction on 22nd May 1914 by the approval of H.E. the Governor of Madras, I applied for a grant towards the preparation, stereotyping and embossing of readers in Tamil and Malayalam for the use of the Schools for the Blind, Palamcottah. I asked for Rs. 2,000/- that current year and Rs. 1,000/- in 1915 and Rs. 1,000/- in 1916. The first Rs. 2,000/- was granted and paid me immediately, and the work which has to be done in England was put in hand at once. The following August the war broke out, and there has been much delay in getting the books from England, but we have now completed from Infant Reader to Fourth Standard Reader in both languages and in a few weeks I expect the arrival of the last batch of the books. Another delay has been in the receipt of the necessary vouchers, but I have now obtained those up to £. 111-14-0 or Rs. 1,675/- and I have sent a cheque for £. 5-2-6 or Rs. 76-14-0 and I have paid through the Madras Bank £. 87-9-3 about Rs. 1,312, making the total already spent Rs. 3,063-14-0, and there will yet be an account for the cases of books soon to arrive probably amounting to over Rs. 1,500/-.

The Rs. 2,000/- grant already received from Government was placed to the Blind Girls' School only, though the books are used by the Blind Boys' School also, and I now earnestly request you to grant me the remaining Rs. 2,000/- I applied for in 1915 and 1916 to be placed to the account of the Blind Boys' School.

It is in the initial stage of preparing and stereotyping the Braille books that the labour and cost is so great, but once being done the books can be obtained and used all over the Tamil and Malayalam speaking countries as the work among

4

the Blind is being opened out. I have no funds in connection with these schools to enable me to meet so great an expense.

I therefore earnestly beg you to grant me the Rs. 2,000 I now apply for at your early convenience in continuation of the former grant of Rs. 2,000/- made in the Director's letter Ref on Cur No. 4850 of 1914, dated 13th July 1914.
