To The Secretary to the Government of Madras,
LOCAL AND MUNICIPAL Department.

Sir,

I have the honour to submit herewith a copy of the
letter D. Dis. No.1972 D.B./1916 dated 7th November 1916
of the President District Board, North Arcot, and to
recommend that his request for permission to utilize the
savings of Rs.8828 referred to for the purpose of comple-
ting extensions of school buildings be sanctioned.

I have the honour to be,

Sir,

Your most obedient Servant,

for Director of Public Instruction

Y. V.

Letter D. Dis. No.1972 D.B./1916 dated 7th November 1916 from the President, District Board, North Arcot.

Agreeably to the proposals which were approved in your letter No. R. O. C. No.6542 of 1915 dated 18th October 1915, the unspent balance of Rs.16,400 out of the provincial subsidies for Education sanctioned in 1913-14 and 1914-15 was allotted for the extension of the school buildings referred to in the statement forwarded with this office letter R. O. C. No.1036 D. B. of 1915 dated 21st September 1915 and for the supply of equipments to certain schools. The allotment made for equipments has almost been spent but out of the 14 school buildings works proposed, only six are in progress, while for the rest the estimates still await sanction owing to the fact that according to the actual estimates framed, the cost of extension of all the 14 buildings has gone up to Rs.26,100 as against Rs.14,896 earmarked for them. The Local Boards concerned cannot afford to spare out of their own resources the extra sum of Rs.11,204 required. The estimates cannot also be curtailed to the extent of the funds allotted if the alterations and improvements are to be of any practical advantage. The need for their extension is thus imperative and the allotment of the extra sum required is absolutely necessary.

2. In order to finance the proposals adequately, it is proposed to allot Rs.2,376 from the District Board funds and Rs.8828 from the savings detailed below which are actually available out of the Provincial subsidies sanctioned during the years 1913-14 to 1915-16.

Objects for which subsidies were sanctioned			Savings available.
(1) Extra salaries to qualified teachers	Rs.3,674		Savings of 1913-14 1914-15 & 1915-16.
(2) Additional teaching staff in Elementary Schools	Rs.3,331		savings of 1915-16
(3) Improving the scale of salaries in Incomplete Secondary School	Rs.254		Do.

3

(4) Opening and maintaining Elementary Schools. Rs.1,569 Savings of
1915-16.

Total Rs.8,828

The savings were due partly to the posts of teachers having been left vacant and partly to the appointment of unqualified men. It may be observed that qualified men are difficult to procure for the Tiruvannamalai Taluq Schools and steps are being taken to supply this want.

(not recd) 3. A copy of the District Board's resolution approving of the above proposals is enclosed. I have the Honour to request that you will be good enough to move the Government and obtain their early sanction therefor.
