PUBLIC WORKS DEPARTMENT.

C. No. 2534 A. D.

DATE 9/11/1916.

Gopichettipalayam

Dated 4th November 1916.

To

The Joint Secretary to the Government,

Public Works Department,

M A D R A S.

Honoured Sir,

I was a student of the Lower Subordinate Class of Mysore Engineering School and passed the above Examination creditably in the third rank in April 1914 and won prizes for my proficiency in drawing. I have also passed the following Technical Examinations of the Madras Government relating to Engineering. The Subjects are:-

1. Survey and Levelling Intermediate grade 1st Class
2. Earth work and road making Do. 1st Class
- ✓ 3. Building drawing and estimating Do. 1st Class
4. Hydrolics and Irrigation works. Do. 2nd Class
5. Mensuration Elementary grade 2nd Class

While I was working as a surveyor in the T.R.S. Division Fourth Circle Vellore. I was granted a temporary exemption for the Lower subordinate test of the College of Engineering Madras for a period of 1½ years ie., upto 31st March 1916.

After that the above division being abolished and my services being temporary I was given notice, so I had no opportunity to have the exemption continued. My work there was much appreciated and I have won the approbation of my superiors.

A copy of the testimonial from the Executive Engineer is also enclosed herewith.

Therefore I most humbly request your honour to grant me a permanent exemption considering the above qualification (to) the Lower Subordinate test of the College of Engineering,

✓  
Madras. I being a Coimbatorean, I found the climate of Mysore did not suit my health when I served there for a period of six months as a Sub-Overseer and so I request your honour will be pleased to grant me the exemption.

I beg to remain,

Honoured Sir,

Your most obedient Servant,

*A. N. Pasupathi Ayyar.*

2. It will be seen from the above statement that the applicant has not qualified himself in the following subjects prescribed for the lower Subordinate class:-

(1) Freehand &amp; Model Drawing.

9

- (2) Geometrical Drawing
- (3) Machine "
- (4) Applied mechanics
- (5) Construction
- (6) Workshop practice

He has qualified in Earthwork & Road making, which are not prescribed for the R.S. Test

3. The applicant was employed as temporary surveyor & as sub-overseer in the T.O.S. Div. W.O. from about Sept 14 to March 16. He says that on the abolition of the Division his services were terminated and has submitted a copy of a certificate given by the EE (8/10-4-16) showing that his work was satisfactory. It would perhaps be desirable to verify by a reference to the S.E. whether the applicant's statements (<sup>as</sup> ~~above~~ A above) are correct.

4. If a reference to the S.E. is considered unnecessary ~~if~~ the man's qualifications are considered to be equivalent to those of a passed lower subordinate, the draft order may be accepted. ~~It may be supported on educational that the~~ ~~words in the~~ with the remark that he was "taken a view to his employment as a lower subordinate in the P.W.D." which ~~seems to be~~ Draft, may be omitted as the man is not now employed in the P.W.D. <sup>is</sup>

Note  
Please see Ows's remarks at page 9 of 632 286 8/7.6.16 (K). Though the question is only one of educational qualifications it is almost undesirable to make personal exemption if there is anything very bad on record against a man doing his service in P.W.D.
