Sir,

I have the honour to request the sanction of Government under Article 161 of the Civil Service Regulations to the grant of a charge allowance at the rate of Rs. 20/- per mensem to M.R.Ry. S. Kameswara Rao, First Assistant and sub pro tem Headmaster, Government Secondary Training School, Rajahmundry, now in the third grade of the cadre of Sub Assistants on Rs. 150/- sub pro tem for the period during which he was in charge of the office of Vice-Principal, Government Secondary School, Rajahmundry, in addition to his own duties, viz., from the 17th July to the 26th September 1916, both days inclusive,

GPK

On the transfer in July last of M.R.Ry. N.R. Krishnamma Avl., as Acting Principal of the Mangalore College, temporary arrangements had to be made for the conduct of the duties of Vice-Principal of the Government Secondary School, Rajahmundry till the appointment of Mr. H.W. Callaghan to the post - which he joined on the forenoon of 27th September 1916. The charge entailed a substantial increase of responsibility and additional work on M.R.Ry. Kameswara Rao as will be observed from the enclosed copy of Mr. Couldrey's letter R.C. No. 185/1916, dated 27th October 1916, and I consider that he fully deserves the extra remuneration proposed above.

I have the honour to be,

S i r,

Your most obedient servant,

G. Krishnamma

for Director of Public Instruction.

Letter from the Principal, Government College, Rajahmundry, R.C. No. 185 of 1916, dated 27th October 1916.

With reference to your Proceedings R.C. No. 4991 of 1916, dated 16th October 1916, I have the honour to report that M.R.Ry. S. Kameswara Rao was in charge of the duties of the Vice-Principal, viz., admission and withdrawal of pupils, preparing returns and maintaining school registers, supervising the teaching work in the practising section and carrying on correspondence relating to the secondary school. In short, he was in main charge in regard to every detail of administration of the Secondary School. It being the beginning of the school year, some of the items mentioned above, notably the first, entailed very substantial responsibility and very much additional work.

In addition to the above he did actual teaching work for 12 periods (50 minutes each) a week in the School Final Class. He had to do so because the school was then understaffed, but latterly he worked for 9 periods a week.

As Headmaster of the Training Section, he had, in addition, to look after the correspondence relating to the training section, besides teaching for 4 periods a week in the beginning and 6 periods towards the end of the period. He occasionally supervised the teaching work of the students under training.
