My dear Murray,

My dear Moir,

When I left Madras, His Excellency asked me to let him know what was happening. I intended to 'report' when I got my orders. I am now top of the list for service, but haven't actually gone, though I now expect translation any day.

I have however today received a communication from the office which I venture to bring to the notice of His Excellency as my former member. The notice is to the effect that my services are replaced at the disposal of the P.W.D. from the date of my going on service (on August 2nd). This presumably means that I revert also to P.W. pay on that date.

I recognise that I have no prescriptive claim to consideration, but I must confess that having drawn 2 months pay already on the old scale, I find it somewhat hard to have retrospective recoveries. It seems to me also probably that the procedure followed may affect adversely my half pay when I am in India. I am losing Rs.270 per mensem by going on service: this I was prepared for, but it does seem to me that further reductions might be waived. There is no necessity for the reduction from the point of view of rules as the Accountant-General told me himself that I should continue to draw my civil pay on the D.I. scale and nobody has been appointed in my place.

When I go on actual service the question automatically settles itself, but quite apart from the actual amount involved. I do feel it hard that my pay should be cut the very day that with the previous sanction of Government I go on service.

In this connection I would like to point out that I could have obtained the incremental pay of the D.I. appointment instead of acting pay about a year before I actually did. I refrained from applying as I did not think it quite the thing to try and get increments for myself whilst the staff got nothing. In this way I lost considerably. I mention this merely

to show that I have not been chasing shekels.

I know that these questions of reversion etc. are dealt with in a routine manner, and so I venture to lay my point of view before His Excellency for disposal as he thinks fit. If Government cannot see their way to permitting me to remain in my old appointment until I leave India (which may be any day now) I request at least that no recoveries may be made from pay already drawn.

They are working us very hard here, but the work is quite interesting - except the office work. Unfortunately, having been suspected of a knowledge of accounts, I have been put on to trying to rectify Family allotments - which have got into 18 months' confusion, so my spare time is fully occupied.

Kind regards

Yours sincerely,

K.T.B. Tressler.

Private Secretary to H.E. the Governor.

(V) Please see G.O. No. 1018, dated the 27th September 1916, replacing the services of Mr. Tressler at the disposal of the P.W.D. with effect from the 2nd August last, the date on which he proceeded on military duty. As stated in para 2 of office-note on page 2 of that G.O. Mr. Tressler's emoluments while on military duty will be regulated ~~by~~ with reference to the pay of his civil appointment. As the pay of his permanent appointment is much less than his pay as sub. pro-tem Director of Industries Mr. Tressler requests that he may be permitted to ~~retain~~ retain a lien on the post of Director till he leaves India, or, if this is not possible, that the G.O. quoted above may not have retrospective effect & that no recoveries be made from the pay already drawn. ~~The~~ The post of Director is vacant ever since Mr. Tressler left it.

and it is for consideration whether the decision arrived at in Lp. No. 1018 Est. dated the 27th September 1916, should now be reconsidered & Mr. Tressler allowed to retain a lien on the post till he leaves India. If his ~~request~~ ^{request} in this respect is not granted, the A.G. maybe consulted as regards his second request in regard to the waiving of the recovery of the amount already overdrawn by him.

It is doubtful when Mr. Tressler will leave India; and it seems to be undesirable that he should retain a lien on the posty Director of Industries for an indefinite period; his alternative proposal appears to be preferable.

2 It is only if Mr Dressler retains a lien on the appointment of D.J. that Mr Dressler can draw salary at Rs 1,350 while on military duty until he leaves India from the 2nd Aug. 16, but as the lien from that day is on his appointment in the P.W.D. he can draw salary at Rs 900 p. m. He, it would appear, has drawn salary at Rs 1,350 for his months (Aug. Sep.)

3. Mr Dressler wants that he may be permitted to retain a lien on the D.J.'s post until he leaves India; this the Home Dept is not prepared to agree to. On the alternative he wants to be spared from having to refund at the rate of Rs (1,350 - 900 =) 450 for the months for which he drew the higher salary.

4. Mr Dressler while on military service is paid from military estimates and the Treasury for cannot pass orders against the re-employment of the excess already drawn by Mr Dressler. Unless the Govt. are willing to cede his lien on the D.J. app. for the two months in question, the re-employment will be affected. Mr G. J. will have the address of Mr Dressler is the same from

the retirement. of Mr. Tinsler
Before considering the question further
the Home Dept. wishes kindly to consult
the A.G. as to whether in the circumstances
there is any and what objection to the local Govt
waiving recovery.

7-4-67 10-11-16

Will Home Dept. kindly do
this. It is a matter of all dil.
and we must have the
opinion of the A.G. This would
ordinarily have been obtained
if Mr. Tinsler had addressed
Govt. officially.

Mr. Tressler was paid in the civil department only up to and inclusive of the 1st August 1916. His allowances after that date were presumably paid by the Military department, and the question of the overpayments may be referred to the Military account officer. G.O. 1018 Home Department dated the 27th September 1916 does not appear to have been communicated to this office.
