Legislative Department.

The Honourable Mr. A.S. Krishna Rao, Pantulu.

Educational Department.

87. (a) Will the Government be pleased to -
state when the scheme for the development
of elementary education in this Presi-
dency was prepared and sent to the ---
Government of India?

(b) Will the Government be pleased to
state whether any orders have been passed
on that scheme by the Government of --
India and by the Local Government?

(c) Will the Government be pleased to
lay those papers on the table?

Educational Department.

The scheme referred to is that the general scheme of expenditure on elementary education showing the broad lines on which it was desired to incur expenditure submitted to the Govt. of India with letter no. 45 Ed., dated the 10th January 1914. No order have yet been received on this scheme.

2. At the meeting held in April 1914 the Hon. Mr. C.S. Krishna Rao enquired whether any programme had been prepared for the development of elementary education and if so, whether the Govt. would lay such programme on the table. He was told that a general scheme of proposed future expenditure on the development of elementary ^{education} in this Presidency was recently drawn up and submitted to the Govt. of India and that it could not then be laid on the table—pages of go. no. 580 Ed., dated the 21st May 1914. Attention is solicited to the notes written in that connection on page 3 of the go. Again at the meeting of the 25th March 1915 the Hon. Mr. V.S. Srinivas Sastri asked whether the Govt. would lay on the table the general scheme referred to in the above question. The Govt. replied that the question remained as it was when the previous question—page 4 of go. no. 631 Ed., dated the 14th June 1915—was answered. The Additional Member now puts a question on the same subject.

3. The following draft answer is submitted for approval:-

"(a) The scheme was submitted to the Govt. of India ~~in~~ ⁱⁿ 1914

(b) ^{and} No orders have yet been ^{received} ~~passed~~ on the scheme and it cannot therefore be placed on the table

From the papers in G.O. No 293-a, dated 18.3.14, it appears that the scheme has been placed upon the Imperial Legislative Council. But on their proceedings on the point

8th 1.16.

The speeches of the Finance Member and the Member introducing the head 'Education', in connection with the Imperial budget estimates for 1914-15 and 1915-16 have been examined. The scheme does not ^{appear to} have been placed before the Imperial Legislative Council. This point was examined once before in connection with a similar enquiry from the same Member in May 1915 - please see page 3 of G.O. No 631 Ed., dated the 14th June 1915. It is not likely that the Govt. of India will consider the scheme in the present financial stringency due to the war.
