such a low figure.

3. The number of villages in the Vizagapatam

district with a population of more than 2,000

which are not provided with schools is 12. There

are however other districts which have a larger

number of such villages, viz., Trichinopoly (25),

Salem (42) and Madurai (40).

4. The male population of school-going age of

the Vizagapatam district is 1/13 of that of the

Presidency. The amounts sanctioned as subsidies

on account of elementary schools for all purposes

during each of the three years 1914-15, 1915-16

Home (Education) Department.

The provision of additional facilities for the expansion of primary education is principally the concern of local bodies.

2. The percentage of male pupils in the Vizagapatam district to the total male population of school-going age according to the returns for 1915-16 was 22.7, as against 34.3 the average for the Presidency. No other district has returned such a low figure.

3. The number of villages in the Vizagapatam district with a population of more than 2,000 which are not provided with schools is 12. There are however other districts which have a larger number of such villages, viz., Trichinopoly (25), Salem (42) and Madura (40).

4. The male population of school-going age of the Vizagapatam district is 1/13 of that of the Presidency. The amounts sanctioned as subsidies on account of elementary schools for all purposes during each of the three years 1914-15, 1915-16 and 1916-17 for the whole Presidency as well as the amounts allotted to elementary schools in the

Vizagapatam district are given below:--

Year.	Subsidy to the Vizagapatam District Board.	Subsidy to all District Boards.	Ratio.
1914-15	73,425	14,54,481	1/20
1915-16	94,369	14,59,207	1/15
1916-17	96,605	15,04,242	1/16
Total	2,64,399	44,17,930	1/17

Thus 1/17th of the total amount granted as subsidies to the local bodies has been utilized in the Vizagapatam district.

5. The percentage of net expenditure on education to total current income of all local boards in the Presidency for 1914-15 was 16.5. The percentage as regards Vizagapatam was only 9.1.

6. The Government have decided to open additional schools in the Vizagapatam Agency for the benefit of the children of the hill tribes at an extra cost of Rs.8,580.

7. The following draft answer is submitted for approval:--
