It was stated in reply that it would be better to await the results of the establishment of the weaving school at Madura before considering the question of establishing a school in the north & the in the meanwhile a participating weaving party was going round & demonstrating to the weavers the advantages of improved looms & better methods. A similar reply was given when an address was presented to H.E. the Governor in 1913 regarding the establishment of a weaving school in Berhampur. An answer on

terms was given in reply to question asked, at the meeting of the Legislative Council held on the 29th March 1915, by the Hon'ble Rao Bahadur B. Karasimheswara Sarma praying for the establishment of a weaving school in Berhampore. When in May 1915 the Hon'ble Zaim-ul-abidin Sahib asked a ^{question in the} legislative Council ~~question~~ regarding the establishment of model weaving schools in the Presidency, he was referred to the answer given to the Hon'ble Mr Sarma.

2. The Hon'ble Mr A. Kankatpati Raju now requests that the Govt should consider the advisability of opening a weaving school in the Vizagapatam District. The reply given to previous legislative Council questions will apply to this also. The weaving section of the Madras Technical

Technical Institute has not yet been opened as the buildings for the Institute are still under construction. The peripatetic weaving party touring in the Northern districts has up to the 31st March 1916, visited only the Godavari & Kistna districts. It may, in due course, move to Vizagapatnam also. It is for orders whether the following answer may be given:—

- The Govt have sanctioned
- " the opening of weaving class
 - " in the Madras Technical
 - " Institute & have decided
 - " to await the results of their
 - " working before considering
 - " the question of opening a
 - " second weaving school.
 - " In the meanwhile they
 - " ~~have organized~~ peripatetic weaving party
 - " ~~touring~~ in the northern
 - " districts ~~will visit Vizagapatnam~~
 - " ~~in due course & demonstrate~~
 - " to demonstrate to weavers
 - " the advantages of improved
 - methods

The answer as now framed with obviously
suggest the further question - whether the
peripatetic weaving party therein mentioned
cannot visit Vizagapatnam + when, etc. etc.
Why cannot this reply cover these points
now?

COPY OF TELEPHONE MESSAGE.

From the Director of Industries to the Secretary (Home Department) dated 14-11-16.

Your telephone message of yesterday regarding Northern P.W. Party. The party has finished Krishna and is now working in the Godavari district. In the ordinary course it would go to Vizagapatam next, and if it does go to Vizagapatam, it will probably be soon for the party has already been a long time in Godavari. But Couchman has suggested that it should go next to Bellary where weaving appears to be more backward than ~~are~~ in the Northern Circars, and I shall have to consider the relative claims of the two places. Possibly a non-committal reply might be given to the effect that the party is now in Godavari and that the question of its next moving to Vizagapatam is being considered.
