Home (Education) Department.

In G.O. No 1013, Edcl., dated the 8th November 1913, the Government promised a maximum grant of Rs.40,000 to the Tellicherry Municipality towards the cost of the following improvements and additions to the Brennen College buildings:-

	Rs.
Acquisition of land.	5,900
Extension of the College buildings.	16,000
Compound wall &c.	5,100
Hostel with Warden's quarters	13,000
Total Rs.	40,000

The preparation of detailed plans and estimates has, however, increased the cost of the scheme as shown below:-

	Rs.
Acquisition of land.	19,100
Extension of College building	56,530.
Compound wall &c.	5,100
Hostel with Warden's quarters	69,066
Total Rs.	1,49,796.

In view of the increased cost of the scheme, the Financial Department has suggested that the scheme should lie over till the war is over. The D.P.I. also states ^{that} since the proposal was first made, the situation ^{has} ~~is~~ generally changed by the restriction by the University of admissions to the Intermediate class. There has been a fall in the number of admissions in the College Department during the current year and the D.P.I. proposes to watch the effect of the new rules issued by the University on ~~and~~ admissions to the College before advising the Government as to the amount of additional accommodation to be provided. answer is submitted for approval:--

" (a) and (b) Yes.

" (c) and (d) Though the original rough

"estimate of cost was only Rs.40,000, ^{it was} ~~now~~ ^{get} on preparation of detailed plans and

"estimates ~~that~~ the cost rose to Rs.149,796.

"Such a large sum cannot be found under present

"financial conditions and the matter is

"accordingly held over. Opportunity has

"meanwhile been taken to ascertain with

"accuracy the actual needs of the college,

"there having been a fall in the current year

"in the number of admissions into the junior

"intermediate class."
