G.O. No. 47, Educational, dated the 15th January 1915.

ABSTRACT.—Sanctioning the distribution of a sum of Rs. 98,900 towards the provision of play-grounds for certain educational institutions in the mufassal.

II

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 7th June 1916.

No.—R.O. 4364/14.

A grant of Rs. 450 was sanctioned in G.O. No. 47, Educational, dated 15th January 1915, for the provision of a play-ground for the Central high school, Tiruvādi, Tanjore district. The site proposed for the purpose adjoins the school premises and is a part of the Tanjore Palace estate. The correspondent points out that the palace estate is now under the control of Government and that the site in question cannot be purchased by private negotiations—vide his letter No. 1306, dated 15th February 1916 (copy enclosed). In the circumstances therein explained I have the honour to recommend that the site referred to may, as requested by the correspondent, be acquired under the Land Acquisition Act.

2. A sketch plan showing the site proposed to be acquired is herewith submitted. It shows that the site is conveniently situated, and it is stated to be the only site so situated.

ENCLOSURE

Letter—from the Correspondent, Central High School, Tiruvādi.

Dated—the 15th February 1916.

No.—1306.

With reference to your R.C. No. 327-Gl. of 1914, dated 25th January 1916, I have the honour to state that the Receiver and Manager, Palace estate, Tanjore, says in his reply to my letter No. 1284, dated 7th October 1915, that the vacant site therein referred to is not available for sale. That it cannot now be alienated, may be due to the fact that there is a law suit pending before the Subordinate Judge of Tanjore for the settlement of claims in respect of the said property.

In my very first letter on the subject, to the Inspector, I had referred to the ownership of the land and the difficulty of acquiring it without the intervention of the Government.

Finding it impossible to acquire it in the near future I have taken the plot on lease for three years. It has been levelled up and is used as play-ground.

In this connection I beg to state that the property belongs to no private individual but the palace estate. It is now under the direct control of the Government. There is no site other than this very near to the school to serve the purpose of play-ground. Hence, there is need for the acquisition of the said land for educational purposes.

Under these circumstances, I think, I am not unreasonable in waiting for departmental interference. I therefore request that you will kindly have it acquired for the school under the provisions of the Land Acquisition Act.

R.O. No. 327-Gl., dated 22nd February 1916.

Submitted to the Director of Public Instruction in reference to his proceedings Ref. on O. No. 4364/14, dated 12th January 1916, for favour of orders.

Referred to the Collector of Tanjore for remarks as to whether a valid and clear title to the site in question cannot be secured otherwise than through the application of the Land Acquisition Act. If it is necessary to acquire the property under that
