Order—No. 1368, Home (Education), dated the 13th December 1916.

NOTES CONNECTED WITH G.O. No. 1368, HOME (EDUCATION),
DATED THE 13TH DECEMBER 1916.

[SUBJECT.—Personal allowances to officers of the Provincial Educational Service.]

From the Government of India, No. 987, dated the 9th November 1916.

Please see paragraph 5 of letter No. 1006, Education, dated the 22nd September 1916, for a list of officers of the Provincial Educational Service, recommended for personal allowances. M.R.Ry. A. Subrahmanya Ayyar has since died. The remaining four officers may now be given allowances of Rs. 65 each a month.

2. The Director of Public Instruction has already considered the case of all the officers of the Provincial Educational Service with a view to ascertain the claims for personal allowance and has recommended only five, though no limit was placed on the number of persons he could recommend at the time. Apparently he does not consider that any other officer deserves the allowance now. An examination of the history of services of gazetted officers also shows that there are no other officers who are now 51 years old. The question of giving Mr. Subrahmanya Ayyar's allowance to another need not therefore be considered at present.

The Director of Public Instruction may be told demi-officially that India has sanctioned five allowances and he can recommend a man for the vacancy due to Mr. Subrahmanya Ayyar's death.
P.R.—23-11-16.

3. A draft order is submitted for approval. If approved it may be forwarded to Financial for acceptance. The necessity to provide for these allowances in the budget for 1917-18, has been noted.

Condition (2) on pages 1-2 of draft.—In the case of the Indian Educational Service officers, it has been directed that the personal allowance will not be drawn in full during furlough or special leave (furlough may be either on medical certificate or without medical certificate—article 308, Civil Service Regulations). The Provincial Service officers are not eligible for any "special leave" as such—compare articles 316-319, Civil Service Regulations, relating to European services and articles 334-348, Civil Service Regulations relating to Indian services. Submitted

that, following the arrangement adopted in the case of the Indian Educational Service officers, for the words "furlough or special leave" in condition (2) in the draft, the words "any kind of long leave" may be substituted. (Any kind of long leave will include furlough, leave on private affairs and leave on medical certificate—articles 336–338, Civil Service Regulations).

2. With reference to Education Secretary's marginal remarks on page 1 ante, it is submitted that so long as the number of allowances granted is not more than five at a time, and the special condition in paragraph 5 of letter 1006, Home (Education), dated the 22nd September 1916, viz., that the allowance will be granted to deserving members who are above 50 years of age is observed, this department need not raise any objection in the distribution of the allowances.

3. *Provision of funds*—1916–17.—A sentence may be added to the draft asking the Director of Public Instruction to forward the necessary re-appropriation statement to meet the extra cost in the current year.

1917–18—The item will be noted in connection with next year's budget.
