No. 7114 of 1916.

From

The Hon'ble Mr. S. M. FRASER, C.S.I., C.I.E.,

Resident at Hyderabad.

To

The Chief Secretary to the
Government of Madras.

Dated Hyderabad Residency, the 18th September 1916.

SIR,

I have the honour to forward a translation of a petition which has been submitted to His Highness the Nizam by one Sayyid Abdul Hai Bokhari, a pensioner of His Highness the Nizam's Government, in which he prays for a monthly grant of Rs. 60/- and a lump sum of Rs. 2,000/- for the up-keep of a Muhammadan school in Karnul in the Madras Presidency, and to request, that, with the permission of the Governor in Council, you will be so good as to ascertain and let me know, for the information of His Highness' Government, the present status of the institution.

I have the honour to be,

Sir,

Your most obedient servant,

H R Lynch Blom

For Resident.

EAV

From,

Sayyid Abdul Hai Qadari, Pensioner,
Near Musa Bauli, Masjid-i-
Shahmat Jang.

To,

His Highness the Nizam.

States that he worked as a teacher in
"Darul-Ulum" School for 40 years and compiled some useful
books for the use of the boys, in recognition of which
Nawab Imad-ul-Mulk has offered him a reward.

He has established a school in Karnul, where
religious training is given, and which is called "Muallan-
ud-din Usmaniah". There are 3 masters and one peon, paid
from the land inherited and purchased by him, both of
which have been given in "Waqf" for the use of the School.

The income derived from these, is not adequate
to cover the expenses of the school. He therefore requests
that a sum of Rs. 2000/- may be granted to him in addition
to Rs. 60/- p.m. for the upkeep of the school and for
rebuilding the school, as the present house in which the
school is located is small and requires repairs.

Report on the Muhammadan Elementary School at Kurnool.

This is an old aided Muhammadan School in the Kurnool Municipality under the management up till last year of the petitioner, and since Hifig Syed Bukari, the present registered manager. The school is of the lower grade with the III as the highest standard. The three *Rs* are taught fairly success-

fully, though practical arithmetic involving the application of the four simple rules requires more attention. Drawing is also done, but the progress made was capable of a good deal of improvement. Drill was fair. In addition to secular instruction an hour is devoted to the teaching of Quran; and I understand that the special feature of the school is that all the boys without exception are initiated into the particular way in which to offer prayers.

Most of the boys are drawn from the poorer classes and are supplied gratis with books, slates and clothing.

Finance. The school is endowed with some property which yields an annual income of Rs.100/-; it earned last year Rs.135 as teaching grants; instruction is free and there is therefore no income from fees. Against this annual income of Rs.235/- or an approximate monthly income of Rs.20/- the expenditure incurred by the management is reported to be Rs.50, as detailed in the margin. The petitioner has been defraying the net

cost from his own pension earned --- after his long service in the Nizams Dominions. It is the petitioner's --- request that His Highness be pleased to relieve him from the costly main-

tenance of the school, with a monthly grant of Rs.60, which will place the school on a sound financial basis, and will improve the staff and the general utility of the institution.

The school is at present held in two different places, which is far from conducive to discipline or efficient instruction. The buildings were very much damaged by the recent

high floods of the Hundri. With a sum Rs.2000/- prayed for, a pucca building can be erected for the school. This grant is also recommended for favour of consideration.

Staff. The staff consists of three members, none of whom possess training qualifications. Their general qualifications and abilities are of fair order.
