HOME (EDUCATION) Department.

Sir,

In forwarding herewith a copy of letter dated 1st December 1916 received from the Chrome Leather Co., requesting the loan of the machine known as a Striking Out Jack from the Leather Trades School, Madras, I have the honour to state that the Assistant Leather Expert reports that he has been using the machine but that as the loan of the machine to the Chrome Leather Co. will expedite the execution of army orders, the Company's request may be complied with. I agree and suggest that the loan may be sanctioned on the terms stated in G. O.

2. The machine is urgently wanted by the Chrome Leather

Copy of letter from the Chrome Leather Co., Palavaram,
dated 1st December 1916 to the Director of Industries, Madras. 3

There is at the Leather Trades School a machine known
as a Striking Out Jack. To the best of our knowledge there is no use
at all for the ~~xxxxx~~ machine at the School and since we are busily
engaged on Ammunition Work and the Army Authorities are pressing us
to expedite and increase our output, we are promoted to ask whether you
could kindly arrange to sell or hire us this machine. We would suggest
that you ~~xi~~ sell us the machine and we order a duplicate of same to be
obtained from the same Makers.

Thanking you in anticipation for your kind services in
the matter, We are,

Condition (2) in the draft order.

when plant and machinery ^{are} ~~to~~ let
lent to a private party as in this
case, ~~the~~ ^{should be} rent ~~to~~ charged at the
rate of 15 p.c on the book-value
of the machine - Vide G.O. No 2474
& 21.3.1910 and G.O. No 1373 Wd 18.12.08.

The rent ~~verified~~ proposed in this
case is one Rupee a day, but as
the book-value of the machine is
not known, it cannot be verified
whether the Centage ~~be~~ is in
accordance with the G.O's quoted above.
In a previous ~~case~~ ^{similar} case
the ~~then~~ Educational Secy considered
that the rate of 1 Rupee ~~per~~
day ought to do more than cover
interest and depreciation. Perhaps
the same ~~remarks~~ ^{may be held to} will apply
to the present case also.

Condition (1) & (3) may also be agreed
to. In addition to these it is usual
to debit to the party concerned the
conveyance charges for conveyance
of the machine to & from the ~~works~~
P.W. ^{Stores} ~~workshops~~. A similar condition
may

also be stipulated.

³ Subject to the above remarks the draft order may be accepted in the P.W.D. and the file returned to Home (Educational) no.
