G.O. No. 47, Educational, dated 15th January 1915.

ABSTRACT.—Sanctioning the distribution of a sum of Rs. 98,900 towards the provision of play-grounds for certain educational institutions in the mufassal.

II

Letter—from F. B. EVANS, Esq., I.C.S., Collector of Malabar.
To—the Secretary to Government, Home (Education) Department.
Dated—the 22nd November 1916.
No.—R.O.C. 712-P.

I have the honour to state that M.R.Ry. N. R. Ramaswami Ayyar Avargal, the Correspondent of the Nurni Hindu high school, Palghat, has applied to me for the acquisition of a play-ground for his school. He states that he has tried to get land by private negotiations but that his efforts have proved fruitless. The Inspector of Schools, Eighth Circle, recommends his application and states that unless the provisions of the Land Acquisition Act are resorted to, schools of this kind have little chance of obtaining the space necessary for expansion (vide copies of the correspondence enclosed). A grant of Rs. 500 has been sanctioned by Government towards the cost of acquiring a play-ground for the school. As the compensation awarded is to be paid partly out of public revenue, there seems to be no objection to the use of the Land Acquisition Act.

2. I therefore submit herewith, for the approval of Government and publication in the *Fort St. George Gazette*, a draft notification for the acquisition of land measuring 2 acres required for a play-ground for the school mentioned above.

3. The site consists of survey Nos. 1210, 1211, 1212, 1213, 1982 and portions of survey Nos. 1214 and 1981 of Pirayiri desam, Palghat taluk. The cost of acquisition has been estimated at Rs. 1,493-4-5 inclusive of the 15 per cent allowance. The necessary funds to meet the cost of acquisition have been deposited in the sub-treasury at Palghat.

4. The owner of the land is Tondikulam devaswam. Its manager has no objection to the acquisition. Some of the members of the Tondikulam village presented to me a petition objecting to the acquisition for reasons stated in their petition (vide copy of the petition enclosed). I rejected it as the objections raised therein appeared to be frivolous and untrue. The occupiers have no objection to the acquisition.

5. After the acquisition proceedings are completed, the land will be conveyed to the correspondent by a formal deed of conveyance.

ENCLOSURES

Letter—from M.R.Ry. N. R. RAMASWAMI AYYAR AVARGAL, Correspondent, Nurni Hindu high school, Palghat.

To—the Collector of Malabar (through the Sub-Collector, Palghat subdivision, and the Inspector of Schools, Eighth Circle).

Dated—the 14th March 1916.

I have the honour to state that myself and my brothers, seeing that the youths of the southern part of the Palghat municipality had to walk a long distance either to the Native high school or to the Victoria College, the only institutions then in existence for their high school course, started a high school at the eastern extremity of the Nurni village in 1903. After a long correspondence and after the provision of a nice building at our own cost, the institution was recognized as a complete high school with the Matriculation class in 1904 by the department with the proviso that it could not expect any grants from Government. As we have been convinced that the existence of this school is a real necessity, we have made up our minds to continue it and it has been working with increasing strength year by year for the last twelve years, although the annual net cost of its maintenance and the occasional equipment thereof to meet the growing demands have cost us a very large amount.

2. Now of late years, the provision of a hostel and of a recreation ground in the vicinity of the school premises has become a great desideratum. But within the interval of these twelve years the village has extended all round the school building as habitations up to its compound wall. With some difficulty a suitable building has been secured for rent near the school for the hostel purposes. The school has to remain without a play-ground still. In 1913 and 1914 Mr. Kershaw, the permanent Inspector of Schools, Eighth Circle, inspected this school, and as he was satisfied with its working, etc., he urged the necessity for such a ground and after his personal inspection of adjoining sites, suggested two plots that would suit the purposes. He was also pleased to inform us that he would recommend a grant for the acquirement of the one or the other. Accordingly during the latter part of 1914 he recommended a grant of Rs. 1,000 for the purpose, but only Rs. 500 was sanctioned by the Government in their G.O. R.O. No. 4364/14, dated 11th February 1915.

3. The two plots pitched upon are—

(1) the vacant ground on the southern side of the road leading to Alatur at the point where the roads to Nurni and Tondikulam diverge,

(2) the piece of ground lying among the paddy fields outskirting the Nurni aghaharam. Immediately after his promise we began negotiations in the matter.

4. The former land belongs to the committees of both Nurni and Tondikulam aghaharams over whose communal properties suits are still going on in the civil courts. This being the case we have to give up the idea of securing this plot. The latter is situated adjoining the backyard of the school hostel touching the houses of the Nurni village. This is a barren strip of land unfit for cultivation purposes though adjoining paddy fields on the south. This is the devaswam property of a single village, viz., Tondikulam. It is not used by the inhabitants of this village for any purpose at all; on the other hand, it is used as a public latrine by the inmates of the adjoining houses and the passers-by. As such it is needless to describe its present insanitary condition. In order to secure this plot I prevailed upon the influential people of this place to assign this in our favour. But alas! all my requests and efforts fell on deaf ears as they could not arrange among themselves to part with it either for sale or lease it under kanom rights or to let it for the school use as a playground on a monthly or yearly rent.

Under these circumstances the only course left open for me to get this only piece of land approved by the Inspector is to approach you with the request that you will be pleased to acquire the same at our cost under the provisions of the Land Acquisition Act and to hand over the ground to us for the said purpose. Such acquisitions on behalf of schools under private management have been already sanctioned. Very recently a site is proposed to be acquired for the Raja's high school, Kollengode.

I am prepared to deposit in advance the probable cost thereof, or any part of it which you are pleased to assign, in the sub-treasury at Palghat immediately on receipt of your order to do so.

I am prepared to execute a bond, if thought necessary by you, to the effect that it will be used only for the public purpose connected with the high school.

I, therefore, pray that my earnest request be given sympathetic consideration.

(2)

Endorsement of the Inspector of Schools, Eighth Circle, R.O.C. No. 254-GI/14.

Forwarded to the Sub-Collector, Palghat, and recommended.

2. Unless the provisions of the Act are resorted to, schools of this kind have little chance of obtaining the space necessary for expansion.

The Government have in their order read above sanctioned the grants noted against the instructions in the annexed statement towards the provision of play-grounds. The payment of the grants in advance is now authorized subject to the following conditions:—

*Petition—from M.R.Ry. K. N. SURYANARAYANA AYYAR Avargal, wakil, Palghat.
To—the Collector of Malabar.
Dated—the 21st October 1916.*

[Presented on behalf of Anantanarayana Pattar, son of Rama Pattar, and five others of Tondikulam village of Pirayiri amsam, Palghat taluk.]

RESPECTFULLY SHOWETH:—

(1) That the petitioners understand that steps are being taken to acquire one Chalakut Paramba (1 acre in extent) and one Vallikat Potta, a wet land (97 cents in extent), belonging to the Venkatachalapati devaswam of which the villagers of Tondikulam are the trustees for the use of the Nurni high school as a play-ground.

(2) That the Nurni villagers have been trying to get hold of the properties of the Tondikulam Venkatachalapati devaswam above referred to in execution of a decree obtained by the former against the latter and the matter is now pending before the Hon'ble the High Court of Judicature at Madras on appeal by the Nurni villagers whose claim to attach and sell the devaswam properties was disallowed by the District Court of South Malabar.

(3) That the Nurni high school is a private institution managed by Mr. N. R. Ramaswami Ayyar who got it to his share on a partition of the joint family to which he belonged and before partition the school was treated as a joint family property.

(4) That the present move to acquire the site for a play-ground is only a cloak for attaining the ulterior object of the Nurni villagers of which the manager of the school is a prominent member.

(5) That the paramba in question is reserved as house-site by the villagers to meet the requirements of the natural expansion of the village and if acquired the expansion of the village is sure to be arrested and the interests of the village endangered.

(6) That the school being a private school the petitioners apprehend the purpose will not be a public purpose to call for the application of the Land Acquisition Act.

(7) That within a furlong from the school there is sufficient site for a play-ground in the possession of the Nurni villagers themselves and it can be made available for the purpose.

(8) In these circumstances the petitioners pray that the acquisition of the proposed sites may be ordered to be stayed.

If, however, your honour cannot see the way to grant the above request the petitioners request that before acquisition they may be given notice of the fact in order to enable them to appear before the acquiring officer and make their statements in regard to the value and other particulars.

Order—No. 1388, Home (Education), dated the 18th December 1916.

The Government consider that the site required for a play-ground by the authorities of the Nurni Hindu high school, Palghat, towards the provision of which a grant has been sanctioned in G.O. No. 47, Educational, dated the 15th January 1915, should be acquired under the Land Acquisition Act.

2. The draft notification for the acquisition of the land, submitted by the Collector of Malabar, will be published in the *Fort St. George Gazette*.

3. After acquisition the property should be conveyed to the authorities of the school by a formal deed of conveyance to be drawn up in consultation with the Government Solicitor.

NOTES CONNECTED WITH G.O. No. 1388, HOME (EDUCATION),
DATED THE 18TH DECEMBER 1916.

[SUBJECT.—*Acquisition of land for a play-ground for the Nurni Hindu High School, Palghat.*]

From the Collector of Malabar, dated the 22nd November 1916, R.O.C. No. 712.

The general principles that govern the application of the Land Acquisition Act to obtain lands for private educational institutions are embodied in G.O. No. 599, Educational, dated the 27th June 1913.

2. The necessity for the application of the Act may be admitted in the present case as the efforts of the correspondent of the school to obtain the site by private negotiations have proved fruitless. The application of the Act is recommended by the Inspector of Schools and the Collector also sees no objection to the proposal.

3. The extent of the land proposed to be acquired is two acres which is estimated to cost about Rs. 1,493. Towards this amount the Government have already sanctioned for a play-ground for this school the sum of Rs. 500 in G.O. No. 47, Educational, dated the 15th January 1915. The Collector reports that the necessary funds to meet the cost of acquisition have been deposited in the sub-treasury at Palghat. The Collector has not sent in a sketch showing the position of the site proposed to be acquired and this omission may perhaps be overlooked in the present case.

4. A draft order sanctioning the proposed acquisition is submitted for approval. It may go to Revenue for acceptance.

ENCLOSURES

Letter—from M.R. Ry. N. R. RAMASWAMI AYYAR Avargal, Correspondent, Nurni;
Hindu High School, Palghat.

To—the Collector of Malabar (through the Sub-Collector, Palghat Subdivision,
and the Inspector of Schools, Eighth Circle).

Dated—the 14th March 1916.

I have the honour to state that myself and my brothers, seeing that the youths of the southern part of the Palghat municipality had to walk a long distance either to the Native High School or to the Victoria College, the only institutions then in existence for their high school course, started a high school at the eastern extremity of the Nurni village in 1903. He was also pleased to inform us that he would recommend a grant for the acquirement of the one or the other. Accordingly during the latter part of 1914 he recommended a grant of Rs. 1,000 for the purpose, but only Rs. 500 was sanctioned by the Government in their G.O. R.O. No. 4364/14, dated 11th February 1915.

3. The two plots pitched upon are—

(1) the vacant ground on the southern side of the road leading to Alatur at the point where the roads to Nurni and Tondikulam diverge,

(2) the piece of ground lying among the paddy fields outkirting the Nurni agraharam. Immediately after his promise we began negotiations in the matter.

4. The former land belongs to the committees of both Nurni and Tondikulam agraharams over whose communal properties suits are still going on in the civil courts. This being the case we have to give up the idea of securing this plot. The latter is situated adjoining the backyard of the school hostel touching the houses of the Nurni village. Under these circumstances the only course left open for me to get this only piece of land approved by the Inspector is to approach you with the request that you will be pleased to acquire the same at our cost under the provisions of the Land Acquisition Act and to hand over the ground to us for the said purpose. Such acquisitions on behalf of schools under private management have been already sanctioned. Very recently a site is proposed to be acquired for the Raja's High School, Kollengode.

The Government consider that the site required for a play-ground by the authorities of the Nurni Hindu High School, Palghat, towards the provision of which a grant has been sanctioned in G.O. No. 47, Educational, dated the 15th January 1915, should be acquired under the Land Acquisition Act.

3. After acquisition the property should be conveyed to the authorities of the school by a formal deed of conveyance to be drawn up in consultation with the Government Solicitor.
