To,

Through the Collector of Trichinopoly.

Madras.

Sir,

This press was started in the year 1904 with the sole object of publishing good and accurate Editions of rare and ancient Sanskrit and Tamil works. In its own way it has been doing the work unostentatiously and to the satisfaction of all scholars throughout the country. It has won golden opinions from eminent scholars all over the world and the Madras Govt. awarded to me during the coronation Durbar a certificate of merit in recognition of my services in the field of Sanskrit and Tamil literature. Sri Bharata Dharma Mahamandal of Benares, an orthodox assembly of eminent Pandits has awarded a first class blage of eminent Pandits has awarded a first class certificate and a gold medal in recognition of the excellence of the Sanskrit Publications of this Press. The Conference of Orientalists at Simla has made mention of the good work turned out here. His Holiness the Jagadguru of Sringeri & Dwarka, themselves very great Sanskrit scholars, have spoken highly of the editions from this press and have even

Condescended to permit the association of their
respected names with some of them. The Madras
Govt., the Mysore Govt., & the Travancore Govt.
have all been pleased to order the free supply of
all their Sanskrit Publications to this Press
and further this Press has been included in the
Govt. of India list as an institution interested
in Sanskrit literature.

I have detailed the above facts to
justify the request I have ~~to~~ now to make. The
Archaeological surveys and annual reports
as also the Annual Ethnographical reports,
contain invariably very useful information which
throw a flood of light in some cases on the authors
of ancient works. They would be useful in ascertaining
the dates and in testing the genuineness of several of
the works that I take up for publication.

Under the circumstances I request that
the Govt. may be pleased to order these publications to be
supplied free to this Press regularly as issued and that
the past issues also be ordered to be sent immediately.

I have the honour
to remain Sir,
Your most obedient servant
Thobalasu bhuvanaguru

SUBJECT Free Supply of Archaeological & Ethnographical reports

Archaeological publications are usually supplied free only to important educational & other public institutions and eminent gentlemen particularly interested in the study of Archaeology and Epigraphy.

2. M. R. R. T. K. Balasubrahmanyam Ayar is the proprietor of a printing press and there appears to be no great justification to order a free supply of the reports asked for in his case. The reports are available for sale at the Press. The request may perhaps be negatived. It may also be observed that this person ~~is~~ ^{are} not conducting any Ethnographic Survey and there are no ethnographical reports.
