Ref on Cur.No. 9 7 4 6 of 1916.

Station Madras, Dated the 14th December 1916

From (Name) Hon'ble Mr. J. H. Stone, M.A., F.R.H.S.C.I.E.,  
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,  
Home Department.  
(Education)

Sir,

In resubmitting the enclosure received with Govern-  
ment endorsement No.4218-1 Home Department(Education) dated  
23rd November 1916, I have the honour to state that the ---  
grants promised by His Highness the Nizam towards the college  
to be established at Vaniyambadi may be paid to the Hon'ble  
Mr. Yakub Hasan who will be responsible for their proper  
expenditure. He receives the grants sanctioned for the --  
Madrasa Islamiah Secondary School, Vaniyambadi, and has gen-  
eral financial control and responsibility with regard to  
that school.

2. In an interview which Mr. Yakub Hasan had with me  
I discussed the whole subject. It would appear that the --

statement made in para 1 of the Hon'ble the Resident's letter is not quite accurate. It is understood that His Highness the Nizam desires to open a college in connection with the Madrasa-Islamiah Secondary School, Vaniyambadi, and not to turn the school into a college. For this college, which will be at some distance from the school, it is proposed to have a special Board of management. This I think a good suggestion, since the proposed college is to serve the needs of the whole Presidency, while the Vaniyambadi Muhammadan Educational Society maintains the present school at Vaniyambadi primarily for the town and local area. The separation of the college from the school is also in accordance with the requirements of the Madras University. It is further proposed that the Board should be appointed by the Muhammadan Educational Association of Southern India and that it should be constituted as follows:-

- Mr. Justice*
- (i) President, The Hon'ble *Mr. Justice* Abdur Rahim, who is the President of the Muhammadan Educational Association of *Southern* India and of the Board of Visitors, -- Madrasa-i-Azam.
  - (ii) The Hon'ble Mr. Yakub Hasan, Secretary. He is already the correspondent of the ~~Vaniyambadi~~ Vaniyambadi School, and since the college is to be in connection with that school, his appointment would help to establish the connection. Other members of the Board would suitably be:-
  - (iii) Mr. Ghulam Ahmed Kalami, Secretary of the Vaniyambadi Muhammadan Educational Society, and
  - (iv) Haji Moulvi Ziauddin Muhammad Sahib, President of the same Society.

These would further ensure connection of the college with the school.

(v) An educational officer in the Collegiate line e.g., the Principal of the Presidency College, and such other members as would be useful, e.g., The Additional Professor of

Arabic in the Presidency College.

I have the honour to be,

S i r,

Your most obedient servant.

2. The Governor in Council under-

stands that what is proposed is to open a college in connection with the

Madrasa-i-Islamiyah secondary school at Vaniyambadi and not to turn the school

into a college. The proposed college

will be at some distance from the

school and is to have a special managing board. This is necessary, as the college

is to serve the needs of the whole

Presidency, while the school at

Vaniyambadi is maintained by the local

educational society for the town and

locality. The separation of the college

from the school is also in accordance

with the requirements of the Madras
