To
The Chief Secretary to Government
Fort. St. George.

Sir,

In connection with the Industrial Commission that is now setting at Delhi, we beg, on behalf of the ground-nut and indigo industry of our District to send some representatives to give evidence before the Commission. The fortunes of this District and in fact Southern India depend mainly on the prosperity of the above industries and in order that they may be revived and placed on a solid basis, it is absolutely necessary that the Government should safe-guard their interests in some particular form and protect them from the chances of decay.

In this view, our representatives may be useful in giving some valuable evidence before the Commission and we therefore request you will be so good as to accept our suggestion and ^{also} two or three representatives of our district to place their views before the ^{com}mission when it comes to Madras.

I have the honour to be
Sir,

Your most obedient servant.
