GOVERNMENT OF MADRAS

HOME DEPARTMENT

(Education)

READ—the following paper :—

Letter—from the Hon'ble Mr. J. H. STONE, M.A., C.I.E., F.R.H.S., Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—Madras, the 10th November 1916.

No.—Cl. 59.

Consequent on the appointment of Miss C. M. Lynch as First Inspectress of Girls' Schools, with effect from the 2nd October 1916, notified in Part I-B of the *Fort St. George Gazette*, dated 7th instant, the post of Second Inspectress on Rs. 450—10—500 has fallen vacant from that date, and I have the honour to request that you will be so good as to address the Secretary of State regarding the selection, at an early date, of a lady of suitable qualifications in England in view to her appointment as Second Inspectress. She should be a graduate of a university or have taken an Honours course at Oxford or Cambridge and should be a trained teacher, or should have had experience of training college work.

2. I beg further to request that Government will be pleased to confirm Miss Jessie Patterson, First Assistant Inspectress of Girls' Schools on Rs. 250 and acting Third Inspectress in the latter appointment. The post of Third Inspectress has been vacant since the retirement of Miss Arnold in January 1915 and Miss Patterson, who has been holding it since then, deserves to be confirmed in the Indian Educational Service in that capacity in view of her long service extending over 29 years, her uniformly good work and linguistic attainments and the training she has had in England. I beg to point out here that Miss Bernard, who possessed inferior educational qualifications to those of Miss Patterson, was a few years ago appointed permanently to the Indian Educational Service as Superintendent of the Presidency Training School for Mistresses in succession to Miss Scott Coward and that Miss Patterson has a better claim to confirmation in the Indian Educational Service than any other Anglo-Indian lady officer now employed in the department.

3. I would in this connection invite the attention of Government to the proposals for the strengthening of the female inspecting agency submitted with the Director's letter C. No. 2467, dated 26th March 1915, wherein, among other things, the creation of a Fourth Inspectress's post on Rs. 350—10—400 has been proposed in order that it may be reserved for Indian and Anglo-Indian ladies of high academic qualifications and exceptional merit. When formulating the scheme mentioned above my idea was that the first incumbent of the additional post of Inspectress should be Miss Patterson, but early sanction of this scheme cannot be expected. It is for this reason as well as in view of the difficulty of recruiting suitable ladies in England at present owing to the war that I beg to urge Miss Patterson's claim for confirmation as Third Inspectress.

4. Should the above proposal commend itself to Government, I beg to suggest that Miss Patterson be given distinctly to understand that her appointment as Third Inspectress will not give her a claim to promotion as Second Inspectress either now or in the future. Miss Patterson is now 48 years old so that it is probable that before she reaches the age for retirement, the Fourth Inspectresship will be sanctioned. The result would be that for a time we should have two posts of Inspectresses filled by ladies promoted from the subordinate service. I do not think that this consideration should outweigh the reasons I have given for Miss Patterson's confirmation.

Letter—from the Hon'ble Diwan Bahadur P. Rajagopala Achariyar Avargal, C.I.E., Secretary to the Government of Madras, Home (Education), Department.

To—the Secretary to the Government of India, Department of Education.

Dated—Fort St. George, the 31st December 1916.

No.—1424.

I am directed to address the Government of India on the subject of permanently filling the post of Third Inspectress of Girls' Schools in this Presidency which is included in the Indian Educational Service and carries with it a salary of Rs. 400 rising to Rs. 450 by annual increments of Rs. 10.

2. The post of Third Inspectress fell vacant in January 1915 on the retirement from service of Miss A. M. C. Arnold; and Miss Jessie Patterson, First Assistant Inspectress, has been officiating in the appointment since then. Miss Patterson has a service of over 29 years and in view of her uniformly good work and linguistic attainments and the training she has undergone in England, the Governor in Council considers that she may be confirmed in her acting appointment without however any claim for further promotion.

3. Miss Patterson is a native of India within the meaning of article 37 of the Civil Service Regulations. If she is permanently appointed to the Indian Educational Service, she can under article 63 of the Civil Service Regulations draw only two-thirds of the salary attached to the post and, to begin with, she will be restricted to a pay of Rs. 266—10—8 per mensem. As acting Third Inspectress she now draws an allowance of Rs. 100 per mensem in addition to the pay (Rs. 250 per mensem) of her permanent appointment, or Rs. 350 per mensem in all. As by a strict application of the rules she will on confirmation distinctly lose in emoluments, the Governor in Council recommends that, as a special case, she may on confirmation be granted the full pay of the post, viz., Rs. 400—10—450 per mensem.

4. I am directed to request that the requisite sanction of the Secretary of State to the above proposals may be obtained and communicated to this Government at an early date.

Submitted that the Secretary of State may be requested to recruit a lady for the post of second Inspectress, pay Rs. 450—10—500 a month.

2. As regards the proposal to confirm Miss Patterson in the post * of third Inspectress, it is submitted that her confirmation requires the sanction of the

As acting third Inspectress Miss Patterson now draws Rs. 350 per mensem (pay of permanent appointment Rs. 250 + Rs. 100 acting allowance). If she is confirmed as third Inspectress she will, in case she is a "Native of India", be entitled to draw only two-thirds of Rs. 400 or Rs. 266 $\frac{2}{3}$ per mensem to begin with (vide articles 37 and 63 of the Civil Service Regulations). In that case it will be necessary to obtain the special sanction of the Secretary of State, through the Government of India, to the grant to her of the full pay of the appointment, viz., Rs. 400—10—450 per mensem. It is submitted that the Director of Public Instruction may in the first instance be asked to state whether Miss Patterson is a Native of India and, if so, whether he recommends the grant to her of the full pay of the appointment.

Please refer to your letter No. 59, dated the 10th November 1916, recommending the confirmation of Miss J. Patterson as third Inspectress of Girls' Schools. Will you kindly let me know whether she is a "Native of India" within the meaning of article 37 of the Civil Service Regulations. If she is one, she will, if confirmed, be entitled under article 63 of the Civil Service Regulations to draw only two-thirds of the pay of the appointment, viz., Rs. 266 $\frac{2}{3}$ per mensem, as against Rs. 350 per mensem now being drawn by her. The sanction of the Secretary of State will be necessary to the grant to her of the full pay of the appointment, if it is proposed to give it, and I am desirous to enquire if you have any recommendation to make in the matter.

Please see your demi-official No. 4123-1, dated the 1st December 1916.

Miss Patterson is a Native of India within the meaning of article 37 of the Civil Service Regulations. My idea was that the Secretary of State should be asked to appoint her or to sanction the full pay of the appointment for her. I believe the India Office Committee refused to recommend her for the Superintendent's place of the Presidency Training School and chose Miss Dixon, but things are very different now.

A draft letter to the Secretary of State requesting him to recruit a lady to fill the post of second Inspectress and another to the Government of India to obtain the sanction of the Secretary of State to Miss Patterson's confirmation as third Inspectress and to the payment to her of the full pay of the appointment, are submitted for approval.
