Sir,

I have the honour to report that an amount not exceeding Rs.500 was sanctioned by me for the purchase of piano for the Government Secondary and Training School for mistresses, Triplicane. The Accountant-General to whom the bill was presented states that the piano being an article of Europe stores should ordinarily have been obtained on indent from the India Office, and requests to be informed of the authority under which it was purchased locally. It is submitted that

sanction was accorded in this office for its local purchase, under a misapprehension. In these circumstances, I have the honour to request that you will be so good as to obtain the sanction of Government for its local purchase, under Rule 13 of the rules regulating the supply of articles of Europe stores sanctioned in G. O. No. 548 Financial, dated 12th August 1913.

2. In this connection, I have the honour to request that similar sanction may be accorded for the local purchase of a piano for the Government Training School for mistresses, Karantattangudi, as there is not sufficient time to obtain it in the usual course on indent from the India Office, before the close of the official year.

3. The necessary provision for the purchase of these articles ^{has} been made in the current year's budget under "Europe Stores, local - 22 F. Education - Government Schools - Special."

I have the honour to be,

sir,

Your most obedient servant,

R. A. Arivu
