From the Agent to the Governor in Ganjam, dated 27th July 1915, No. 496.

One of the educational questions raised in the report on the administration of the Ganjam Agency was the opening of more Khond schools with Khond teachers. Paragraph 1 (5), page 2 of G.O. 1382, Educational, 7th December 1914.

In regard to this point the Director observed as follows :—

" On this point, the Inspector reports that all the Khond aided schools about ten in number may be converted into Government schools with a teacher on Rs. 12 each per mensem. I concur with Mr. Ransford in the views expressed by him and accordingly beg to suggest that the Government Agent be asked to formulate definite proposals to this end in consultation with the Agency officers, if he is satisfied that Khond teachers can be had for employment in each of the schools which it may be proposed to take over under the management of Government."

The Agent was accordingly requested in paragraph 2 (a) of G.O. No. 1382, Educational, dated 7th December 1914, to submit proposals for taking over under Government management as many of the aided schools for Khonds as possible.

2. He now recommends that four schools may be taken over under the management of the Government for the present. It is presumed that Khond teachers are available only for these four schools. Submitted that the proposals may be approved. Special arrangements for the training of more Khond teachers have been approved in G.O. No. 803, Educational, dated 23rd July 1915. When more teachers are available, the Agent will come up with proposals for taking over more Khond schools.

3. The Agent has not, however, reported whether a single teacher on Rs. 12 per mensem as suggested by the Director will be sufficient for these schools and what the other charges recurring and non-recurring amount to. A draft memorandum asking him to furnish this information is submitted for approval.

From the Director of Public Instruction, dated the 17th January 1916, No. 8219.

The Director of Public Instruction recommends the proposals. He has suggested a slight alteration in the recurring charges proposed by the Agent. The recurring charges according to the Director of Public Instruction's estimate come to Rs. 1,328 per annum and the non-recurring charges amount to Rs. 844. A provision of Rupees 2,172 will have to be made in the budget estimate for 1916-17 if the recommendation of the Director to take over these schools with effect from the 1st March 1916 is adopted. Submitted that Financial may be consulted in the first instance as to whether the proposals may be accepted and the necessary provision could be made in the budget estimate.

FINANCIAL DEPARTMENT.

The extra cost (according to the calculations of Educational) involved in the proposal to take over under Government management four aided schools in the Ganjam Agency is as shown below:—

Recurring charges.		Cost per annum.
		Rs.
Four teachers on Rs. 12 per mensem each		576
Capitation allowance; books, maps, slates and prizes; cleaning charges; and other contingencies		752
Total ..		1,328
Non-recurring charges.		
Buildings		500
Furniture and appliances		344
Total ..		844

The amount of savings which will result under grant-in-aid has not been reported. (The existing schools being aided schools, there will be some saving under grant-in-aid—please see remarks against item 5 on page 3 of G.O. No. 1382, Educational, dated 7th December 1914).

2. The minimum pay of teachers in the Ganjam Agency tracts is Rs. 10 with grain compensation allowance—vide Accountant-General's endorsement on page 2 of G.O. No. 797, Educational, dated 19th July 1915. From the estimate of cost given above, it is apparent that Educational do not intend to grant grain compensation allowance to the teachers in the present case (they are to get Rs. 12 per mensem each). Submitted that Educational may be requested to bring out this point in the orders to be issued on this case.

3. The expenditure in question is apparently one of imperative and immediate necessity. If so, the proposals may be accepted subject to the remarks in paragraph 2 above, the sanction being registered as No. 5 of 1916-17.

4. *Provision of funds*—1915-16.—No extra cost.

1916-17.—On receipt of a copy of Educational Department proceedings, necessary provision may be made in the next year's budget on account of the pay of the teachers, without altering the total budget figures. In regard to the charges on account of other items, it is submitted that it does not appear necessary to make any additional provision, since the total provision in the next year's budget for "Elementary schools for boys" (viz. '71 lakh) is higher than the revised estimate for 1915-16 ('61 lakh).

Financial accepts if Educational consider that the scheme cannot be postponed.

I presume Honourable Member (Financial) will see—vide Judicial Secretary's note, dated 3rd December 1914, in G.O. 1382, Educational, dated 7th December 1914. So do not trouble Chief Secretary who is busy in Council.

EDUCATIONAL DEPARTMENT.

The question of the improvement of education in the Agency tracts has long been under consideration—please see the papers read on page 2 of G.O. No. 1382, Educational, dated the 7th December 1914. Moreover the outlay involved in the present scheme is very small. It may therefore be desirable to give effect to it from the 1st March next as proposed by the Director of Public Instruction though it must be admitted that the scheme is not an urgent one. If the above view is accepted, the draft order is for approval. It may be sent to Judicial for acceptance.
