 Sir,
 I have the honour to request
 permission to spend the
 coming summer vacation in
 Europe.
 I will travel by rail boat
 and allow a good margin

of time for the return journey.

I will also continue and pay special attention to the instruction I have been giving to the First Assistant in the matter of office routine and admissions to the College.

As I have private affairs to attend to in England which are of paramount importance

to myself, I beg that the
permissions requested may
be granted.

I have the honor to be

Sir

Your most obedient servant

From the D.P.I., No.845, dated 4th February 1916.

Register No.471 Edl.

The summer vacation of the Madras College for Women begins on the 14th April and ends on the 8th July 1916. Miss De la Hey requests permission to spend the vacation in England. During her absence Miss Mc Cormick will attend to the Principal's duties.

2. It may be noted that Miss De la Hey was permitted to spend the last summer vacation in England on the distinct understanding that no relaxation of the rules would be made in the event of overstayal due to any cause - vide notes and orders in G.O., No.362,

Edl. dated the 30th March 1915. But owing to causes attributable to war, she overstayed the vacation by four days and this period was, as a very special case,

treated as casual leave. The Director of Public Instruction now states that Miss De la Hey will be instructed to return to Madras at least a week before the reopening of the College. There seems no objection to the grant of the permission applied for.

A draft order is submitted for approval. It may issue with the concurrence of Public (War) section. It does not seem necessary that a copy of the -- ^{dated 12.11.15, forwarded with to India office} India Office Circular letter No.J & P.4956, dated the 6th December 1915, relating to civil officers in India entering into military obligations in England without the special sanction of the Government of India, should be furnished to Miss De la Hey.

The India Office circular letter d. 1.2.15, was issued, it is true, to prevent civil officers (~~to be~~) from being recruited under the Seaby scheme. Vide para 2 of letter the India Office letter No. 4956/15, 6.12.15 and para 2 of the circular d. 1.12.15. This indicates that the instructions are applicable only to males. It is possible,

Possible, however, that Miss de la Hay, like many other women in England, might take up some work in connection with the war, e.g. in munition factories or in hospitals. It would, therefore, be advisable, perhaps to warn Miss de la Hay ~~not~~ against entering into any obligation in connection with the war which would prevent her return to duty.
