He also recommends the opening of new schools in the 12 villages mentioned in the margin for the reason that there are at present no schools at a convenient distance from them, and proposes the employment of a teacher in each of them on the rates of salary shown against each.

2. The Inspector of Schools, I Circle, whom I have consulted reports that the additional teachers proposed for the existing schools are necessary but that new schools are required only at (1) Talamanda, (2) Nahagonda, (3) Bostingia and (4) Gundrigam, the other places mentioned by the Government Agent being too small to maintain a Government school.

3. I consider the additions to the staffs proposed, which are in accordance with rule 81 of the Madras Educational Rules, to be reasonable but that the proposal to open new schools may lie over until additional funds are available. I have the honour accordingly to recommend that sanction be accorded to the proposed employment from 1st March 1916 of the additional teachers in the eight Government elementary schools mentioned above and that the proposal for the opening of new schools be allowed to lie over until the finances improve.

4. The extra cost thus involved will be Rs. 110 per mensem or Rs. 1,320 per annum and I request that the necessary provision may be made in the budget estimate for 1916-17.

Endorsement of the Accountant-General, No. Ganj. 2-21680, dated 2nd February 1916.

3. There is no audit objection to the proposal being sanctioned by Government.

4. Should Government accord sanction to the proposal, orders should issue from the Financial Department regarding the necessary provision of funds in the next year's budget estimate.

Deputy Accountant-General.
