Station Madras, Dated the 1st February 1916

From (Name) The Hon. Mr. J.H. Stone, M.A., C.I.E., F.R.S.,
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
EDUCATIONAL Department.

(Through the Accountant - General).

The sanction accorded in G. O. No. 94 R. Edl., dated 25th March 1915 to the retention of the temporary teacher on Rs. 25/- per mensem in the Government Girls' School, Srirangam, expires with 31st March 1916. In recommending the further retention of this post, the Inspectress of Girls' Schools, Southern Circle, reports that the present Headmistress who is holding the temporary post is a trained secondary grade teacher and has done much to improve the status and popularity of the school

by raising it to the level of a first grade elementary school but that her salary is not commensurate with her work, responsibility and qualifications. From the figures noted in the

standards, viz., the fifth and seventh, have not been altogether encouraging on account of the fact that the parents who are mostly Brahmans do not generally allow their girls to continue in the school beyond their 10th year, even the present strength of these standards having, it is stated, been secured through the unstinted exertion of the Headmistress. The Inspectress further reports that the Headmistress who, being an Indian Christian, could not get a house to live in at Srirangam which is an orthodox Hindu town situated within the walls of the local Hindu temple, is obliged to reside in Woraiyur, a suburb of Trichinopoly and to incur in consequence a heavy conveyance charge to and from the school and that she therefore finds it difficult to make both ends meet with her present salary.

Miss Patterson therefore strongly recommends that the pay of the teacher be raised from Rs. 25/- to Rs. 40/- per mensem which is the scale of pay sanctioned for the Headmistresses in the Government Girls' Schools at Karur and Mude though these two places are not so orthodox as Srirangam. I have ascertained that no secondary grade Hindu mistress is available to replace

the present Indian Christian Mistress and that the appointment of a Hindu Mistress of inferior qualifications will lead to a falling off in the standard and efficiency of the school. In these circumstances I consider that the further retention of the post is necessary and that the salary thereof should be raised at least to Rs. 30/- per mensem if not to Rs. 40/-. I have the honour accordingly to request that you will be so good as to obtain the sanction of Government for the retention of the temporary teacher for a further period of one year from 1st April 1916 and for increasing with effect from the same date the salary of the post from Rs. 25/- to Rs. 30/- per mensem.

2. I shall submit the necessary re-appropriation statement for meeting the extra charge on receipt of the Civil Budget Estimates for 1916-1917.

I have the honour to be,

S i r,

Your most obedient servant,

C. Krishnamani

for Director of Public Instruction.
