HIS EXCELLENCY THE GOVERNOR'S TOUR, 1915.

Muhammadan Deputation in Tanjore.

SUBJECT IV.—Construction of the school building of the Government Muhammadan Girls' school.

"Arguments.—We beg to submit that "since the school was taken under the "management of Government it is located "in a small rented building for the last "10 or 12 years. Want of a permanent "school building with a spacious "compound was keenly felt. On our "repeated representation the Govern- "ment was pleased to acquire land for "the construction of the school building. "Free ventilation and light are quite "essential for the development of body. "As our girls are kept in pardah system "a spacious building with a big "compound is required. The site now "acquired is very near to the Muham- "madan quarters and if the school "building be ordered to be constructed "at an early date, we are sure that it "will give immense relief to the poor "school children who at present are not "comfortable in the present rented "building. We earnestly pray that His "Excellency may be pleased to order "construction at an early date as the "present building is too small to contain "the maximum number of girls that is "expected."

Collector's remarks.

I think this work is proceeding and I am ascertaining its present position.

Secretariat note.

EDUCATIONAL DEPARTMENT.

The site for the Government Muham-
madan girls' school was acquired under
G.O. No. 1741 W., dated the 26th Novem-
ber 1912. In G.O. No. 443 W., dated the
2nd March 1915, the Government have
approved the construction of a building
for it at an estimated cost of Rupees
11,900. No provision has however been
made in the current year's budget. For
the next year, the Superintending Engi-
neer has proposed a grant of Rs. 4,000;
but it is understood that this allotment
has been proposed for omission in accord-
ance with the instructions of the Govern-
ment of India prohibiting allotments for
any new works.

C.R.—18-11-15.

C. G. TODHUNTER—18-11-15.

Collector's further remarks

The Executive Engineer reports
that an estimate of Rs. 11,900 was
sanctioned but that the provision
of Rs. 4,000 allotted in the Provin-
cial Civil Works Budget for 1916-17
has since been recommended for
resumption in accordance with
the instructions of the Govern-
ment of India directing no new
works to be put in hand.

*The Supplementary matter has been
added by the P. S. G. O. office.*

Returned with the following extract from the proceedings of the deputation:-

"They next prayed that the construction of a building for the Muhammadan Girls' School on the site already acquired might be begun. His Excellency informed them that the Government had already approved the construction of a building at a cost of Rs.11,900 and that it was proposed to allot Rs.4,000 in next year's budget. He impressed upon them however that the present financial stringency might cause delay in the execution of the work, and told them that the acquisition of a site and the Government approval for the construction of a building were sufficient proof that Government were in sympathy with the scheme."
