To The Secretary to the Government of Madras,
EDUCATIONAL Department.

Sir,

I have the honour to bring to your notice the case of one A.C.D'Rozario, a student in the second year Engineer Class of the Engineering College. Last year the Principal applied on his behalf for a collegiate scholarship under the Code of Regulations for European Schools, but as his application was late and as a better qualified candidate had applied, no award was made to him. This year the Principal renewed the application. His case was pending consideration in the event of one of the holders of the collegiate scholarships losing his or her claim for the renewal of the scholarship for 1915-1916.

In the meantime, applications for collegiate scholarships for 1915-1916 were received from the Inspector of European and Training Schools, and the scholarship for men was, in the absence of applicants who passed the Intermediate Examination in 1915 which is the last preceding examination, awarded to one J.C.H. Collet who passed the Intermediate Examination in 1914 in the second class. I regret that the case of D'Rozario who had better qualifications having passed in the same year as Collet but in the first class was lost sight of. Further, as both the Collegiate Scholarships awarded in 1914-1915 have been renewed for 1915-1916 there is no vacant collegiate scholarship for which D'Rozario can be recommended. It seems to me that it will be something of a hardship, if he is not awarded a scholarship, as he is better qualified than Collet mentioned above. Out of the four final scholarships available under (W) G.O. No. 1179 Edl., dated 15th October 1914, two, viz., one for men and one for women each tenable for one year, have not been awarded this year owing to want of applicants. I beg to recommend therefore that a Collegiate Scholarship of Rs. 20/- per mensem tenable for one year from 1st July 1915 in the College of Engineering may be sanctioned as a special case on behalf of A.C.D'Rozario, the charge being met from the savings on account of the non-utilization of the final scholarships referred to above.

I have the honour to be,

S i r,

Your most obedient servant,

R. A. Arive.
