POLITICAL OFFICE.

No. 1087 of 1916.

The Hon'ble Lieut.-Col. Sir A. F. Pinhey, K.C.S.I., C.I.E.,

Resident at Hyderabad.

To

The Chief Secretary to the

Government of Madras.

Dated Hyderabad Residency, the 14 February 1916.

Sir,

With reference to the correspondence ending with Mr.

(W) Todhunter's letter No. 336/Edl.R, dated the 20th December 1915,

which gave cover to a copy of each of the marginally noted publi-

1. The Madras Educational Rules,
2. The Grant-in-Aid Code,
3. The Code of Regulations for European schools.

cations, I have the honour to request that you will be so good as to inform me under what rules primary schools in the Madras Presi-

dency, which are financed by Government or local bodies, are conducted, as none of the Codes forwarded with your letter appears to apply to them.

2. I would explain that it is desired to adopt rules for the regulation of primary schools in the Administered Areas under my jurisdiction, which are maintained chiefly out of local funds, but that the Grant-in-Aid Rules of the Madras Educational Department are not suited to local circumstances, as they only contemplate the grant of contributions in aid of the institutions to which they apply.

I have the honour to be,  
Sir,  
Your most obedient servant,

A. F. Pinhey Lt-Col.

RESIDENT.

Letter No 214 ESCM of 28-2-16  
To the Hon'ble the Resident at  
Hyderabad.

Sir,

With reference to your letter No. 1087, dated the 14th February 1916, I am instructed to invite <sup>a reference</sup> ~~reference~~ to Rule 1 of the Madras Educational Rules (copy already forwarded) under which schools financed by Government or local bodies are classified as institutions under public management. Public institutions are further classified according to the nature and grade of instruction imparted ~~as~~ as shown in Rule 2 thereof. The schools classified as "elementary" are what are ordinarily termed ~~as~~ primary schools. The regulations contained in Chapters II and VI of the Educational Rules govern the working of these institutions. No schools for Europeans are maintained directly by the Government or any local body.

2. The Grant-in-Aid Code and the Code of Regulations for European schools (in force in this Presidency) are applicable -- only to schools under private management. I am to add that, while institutions managed by local bodies do not receive any regular aid under the Grant-in-aid Code, <sup>such bodies</sup> ~~they~~ are paid subsidies from State funds in order to enable them to open new schools and to improve the efficiency of ~~the~~ existing institutions. No special rules have however been framed to regulate these subsidies which are determined from time to time with reference to local needs <sup>and the</sup> State funds available.
