M a d r a s.

Hon' ble Sir,

I humbly beg to submit that I am a cousin of the Nikah wife of the late Hon' ble Hassan Ali Khan Bahadur great grandson of Nawab Muhammad Ali Khan, Walajah of the Carnatic fame and a leading member of the Muslim Community with unflinching loyalty to the British Crown, to whose strenuous efforts, the establishment of Lord Wenlock's Scholarship is mainly due.

2. I am sorry to submit that owing to my straitened circumstances in life, I was not able to prosecute my studies until I passed the Matriculation Examination of the Madras University, I was rather forced to give up the same in the sixth form, but from the testimonials enclosed, you will observe that I possess sufficient knowledge of the English language, so as to transact business of various nature, as efficiently as can be expected from a passed Matriculate.

3. As I was anxious to undergo a course of Police training in the Vellore Provincial Training Class, for which I have had a special turn of mind, I submitted a petition to Government to grant me exemption from the Secondary School final Certificate examination, from whom I received a reply directing me to go for Exemption from the Examination rules, through the head of the Department I wish to enter - order enclosed:-

4. I, therefore, beg to submit this application, in the hope that it will ~~be~~ not fail to elicit sympathy from you, so that you may be generous enough to recommend for necessary ex-

exemption my humble self to our benign Government, just as the Marginally persons were recommended for and favoured with the Exemptions and appointments.

Khader Hussain has been a student of the Wesleyan Mission High School, Triplicane, since the beginning of this year, and a member of the Sixth Form. His attendance and conduct in class have always been satisfactory. He is of good character, and from all that I know of him during the time he has been a student here, he has the promise of becoming a reliable and trustworthy employee.

I know Kader Hussain Sahib, at present, a Guard in the Madras and Southern Maharatta Railway, from his boyhood. He has studied up to the Matriculation Class but owing to want of sufficient means he had to give up his studies. The young man has always borne a good character and I am confident that he will give satisfaction wherever he may be employed. He is strong and healthy and is well suited to Executive life viz., the police or salt which is anxious to enter. His 2nd language is Tamil and this will help him a great way if he succeeds in getting a decent appointment in the Police or Salt Department.
