Station Madras, Dated the 16th February, 1916

From (Name) K.T.B. Tressler, Esq.,

(Designation) Director of Industries,

To The Secretary to the Government of Madras,
Educational Department.

Sir, Thro' the Accountant-general

I have the honor to state that out of the provision of a lakh of rupees for "Miscellaneous experiments" under 26 Bm. Scientific Etc. Department, I made a first allotment of Rs.15,000/- for expenditure in connection with the industrial experiments started by me last year in connection with the war and the same was approved by Government in G.O.No.806 Edl dated 24th July 15. This sum has now been fully spent and I require a further allotment of Rs.2,000/- to bring the year to a close. I accordingly request that sanction may be accorded to this expenditure which will be met from the reserve at my disposal under "Miscellaneous

Experiments".

2. The expenditure is divided between pencil making and glass manufacture: approximately Rs.11,000 has been spent on the former and Rs.4,000 on the latter.

3. The position as regards the pencil experiments has been explained to Government in various letters, closing with my No.E 11 dated 20th January 1916. Pending Government orders expenditure will be limited to a minimum but there are certain liabilities to be paid off and charges met.

4. As regards Glass, the experiments so far conducted are not extensive and I have still certain further experiments to make before I can submit a report. With the extra allotment now applied for I expect to get such results as will enable me to get sufficient information regarding fundamental data to submit a preliminary report.

5. I may explain that owing to the exercise of great economy in expenditure as directed in Memo (confidential) No.7437-1, Financial, dated 26th October 1915, I have so far surrendered a sum of Rs.40,000 from the amount budgetted for "Miscellaneous Experiments".

6. I request very early orders on this application.

I have the honor to be,

Sir,

Your most obedient servant,

Adm. Work

Director of Industries.
