Resolution
Reference.

At the instance of the Collector of North
Arcot, the Board requests that Government will be pleased
to reconsider their decision in Government Order No.271
Mis., Educational dated 4th May 1909 declining to permit
M.R.Ry., P.S. Abboy Nayudu to appear for the Criminal -
Judicial test, Lower Grade.

2. The Collector reports that of the 30 posts in the district carrying salaries between Rs.45 and Rs.100, 29 are held by brahmins and only one by a non-brahmin. In the Lower Grades, between Rs.30 and Rs.40, there are 101 posts of which 78 are held by brahmins and only 23 by non-brahmins of whom 3 are graduates, 4 are F.As. 13 are Matriculates, 1 is a Middle school candidate and the remaining two are Muhammadans who have been exempted from educational qualifications. Two of the three graduates are Probationary Revenue Inspectors and the third who has only recently qualified himself for a Deputy Tahsildar's post is not likely to go into the Deputy Tahsildar's list within the next 5 years. Of the four F.As. one is on Rs.40 and another on Rs.35 but neither of them has passed the Criminal Judicial test. The remaining two F.As draw only Rs.30. Owing to the undue preponderance of brahmins, the Collector finds it difficult to make an equitable distribution of appointments in the higher grades among the several castes. The difficulty can be obviated by importing outsiders but the Collector reports that such a step would increase the discontent already existing in the district owing to the influx of outsiders within the last few years. He considers that the only satisfactory solution is to permit deserving non-brahmin Matriculates to appear for

the

the Criminal Judicial test.

3. Mr. Richards singles out M.R.Ry., P.S. Abboy Nayudu as deserving of the special concession and states that his absorption in the higher grades of the revenue department will be fully justified on public grounds. The nominee is reported to be an officer of varied experience. He began service in the revenue department in the Tanjore district and subsequently worked in the Collector's office, Salem. For some time he was employed in the Police department. He is at present permanent head clerk of the Revenue Settlement office and additional supervisor on Rs.85. All the Settlement officers, under whom he has worked, have testified to his exceptional abilities. He has completed all the tests required for the post of Deputy Tahsildar with the exception of the Criminal Judicial test.

4. In the circumstances reported by the Collector, the Board strongly recommends that M.R.Ry., P.S. Abboy Nayudu be permitted to appear for the Criminal Judicial test, Lower Grade

to Under Secy

With reference to the recommendation in the CF, attention is invited to pages 8-11 of go. mis. 271 d 4-15-1909 wherein will be found the grounds for refusing exemption which was sought for by the present applicant in 1909. In the circumstances now explained by the Board of Rev., it is for consideration whether that decision will now be reconsidered. The Collector and the Board recommend that Abboy Nayudu may be permitted to appear for Criminal Judicial Test, lower grade, and state that the special concession will be fully justified on public grounds owing to the paucity of non-Brahmins in North Arcot. A pass in the test will qualify the candidate for appointment as a Deputy Tahsildar. (p3cf)

testimony

I do not see any proper ground for giving back on the previous order. The arguments are, in fact, strengthened by the recent trend of

events. It is likely that a larger proportion of Deputy Subscribers and Deputy Collectors may, in a future, be appointed direct. The result of this will be that the graduates who intend in the lower range of a revenue service will have less chance of rising. To put comparatively uneducated men (the lower personal units) into the lower posts left for promotion — will be to discourage him further and to be guilty of something like a breach of faith. On the other hand, in the case of the matriculate, he knows what to expect (or rather, what not to expect).

If Settlement Officers are to be regarded as jumping the ground for the majority, the Settlement Department must appoint persons with proper educational qualifications.

Indeed it might if H.M. (Revenue) might see this paper before disposal.
