Mayanur Tour notes.

Municipal High School:— I was taken to a branch of the municipal High School at Koranad. The school supplies an evident want in this locality, but the building is quite unsuitable. The municipal council wish to acquire the house on — which the school is now held and the adjacent house. Some members of the Koranad community are, I — understand, willing to make some contribution towards the purchase of these houses. Any proposal for a grant-in-aid from the municipal authorities deserves favourable consideration. [I have noted on another file that the acquisition of Rajam Thot-tam by the municipality for purposes of ^{the} hostel and recreation grounds is very desirable and should be sanctioned.]

* Separately under
consideration in
