Sir,

I have the honour to inform you that a representation has been made to me by the Secretary of the South Orissa Union, Berhampore, that the Uriyas desire representations on the forthcoming Educational Conference that is to be held shortly in Madras under the orders conveyed in G. O.

① No. 178 Educational dated 17th February 1916. The questions that will probably arise out of the subjects set forth for discussion will not, it appears to me, affect Uriyas more than they are likely to affect other classes of the community, and in any case the interests of this class will be sufficiently safeguarded by the presence of the Inspector of Schools

(Mr.

(Mr. Ransford) On the Conference. The Principal of the Kallikota College, Berhampore, is also a member, but he is not an Uriya though long connected with education in Ganjam District.

If, however, Government would like to satisfy the desire of the Uriyas for separate representation, I would suggest that the Hon'ble Rajah Sri Madan Mohan Singh Deo Garu, Zamindar of Dharakota, be nominated as another member of the forthcoming Conference.

I have the honour to be,

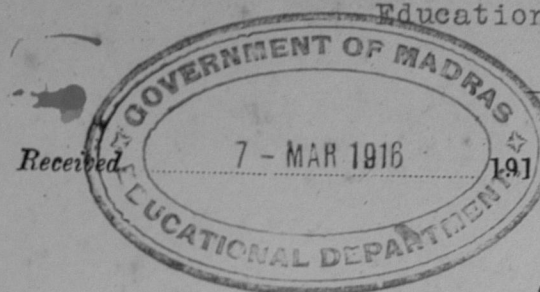

Sir,

Your most obedient servant,

To The Secretary to the Government of Madras,

Educational Department.

Sir,

plante In continuation of my R. C. No. 5536/14 dated 3rd March 1916, regarding the nomination of members of the forthcoming Educational Conference, I have the honour to suggest that the Right Rev. Mgr. D. Kuss, Vicar General to the Most Rev. J. Aelen, Archbishop of Madras, be nominated as an additional member of this Conference. Mr. Kuss is an earnest educationist with experience of the working of both European and non-European educational institutions in this Presidency; he is known to be a man of broad views and with a wide knowledge of the educational administration of aided schools.

24 5
I make this suggestion in view of the fact that his Grace the
Archbishop ^{of Madras} has represented to me that the Archdiocese of
Madras is not at present represented on the Conference.

Appointment of two additional members
to the forthcoming educational conference.

From

The D.P.I. R.C.5536/14 dated the 3rd and the
6th March 1916.

Register Nos.797 and 841 Ed1.

The D.P.I. suggests that two more gentlemen
be added as members of the ensuing educational --
conference which is to be convened on the 16th
instant for the revision of the grant-in-aid code
and the educational rules. The first is the
Hon'ble ~~Z~~amindar of Dharakota to represent the
Uriyas and the second the Revd. MGR. D.Kuss,
Vica-General to the Archbishop of Madras to re-
present the Arch-diocese of Madras.

With regard to the first ^dedition the --
Director himself does not appear to be very keen;
he points out that the questions reserved for
consideration ^{by the} ~~will~~ educational conference will not
particularly affect the Uriyas and that the ^{Special} inter-
ests of this class ^{if any,} will be sufficiently safeguarded

the presence of the Inspector of schools, Mr. Ravensford and the Principal of the Kallikota College, Berhampore (W.R. Ry. Ganapathi Ayyar).

2. The no. of members already appointed for the conference, namely, forty, is sufficiently large and any further addition to this number will, it is feared, make the conference perhaps unnecessarily unwieldy. The same reason may be advanced against the inclusion of the Vicar-General also. It is therefore for consideration whether these names should be added to the -- conference at this stage. If at all any addition is necessary, it should be in the direction of adding some more ~~university~~ head masters of aided secondary schools in the mufassal as there appears ~~to be~~ to be some dissatisfaction that they have not been sufficiently represented on the conference.

I shall be glad to confer with the D.P.I. before noting; though I agree there is much to be said for not unduly enlarging this conference, it may be well to meet any deficiencies if this can be done without inconvenience.

It is intended that a part of the work shall be done in committees or some enlargement of it will not make it much more ~~unworkable~~ unworkable. I discussed it with Mr. Galleney who approved the proposed additions and also of two more headmasters - the headmaster of the Jordan Mission High School Salem, and the Principal Madras College who is also headmaster of the college school and controls the

speak to you about the matter this morning, but it
escaped his memory. I am to say that His Excellency
proposes to add the two Headmasters mentioned in this
letter as well as the Raja of Dharakota and Vicar

Nature High School, Kumthakur
5th March 1916

Most Honored Sir,

Your kind and courteous
reply to my letter of the 17th January last, encourages me
to write to you again. Out of nearly 200 complete High
Schools in the Presidency, the Head-masters of two High
Schools only, have been made members in the Educational
Conference which is to meet on the 16th March. There are
several other Head-masters of more than 20 or 25 years' experience. I
stand alone among Head-masters, as I have worked
continuously, efficiently & successfully for more than 40.
years in the field of private effort in Secondary Education.
To the successful & excellent character of my work
these 40 years, successive Inspectors of Schools, successive
Directors of Public Instruction & 4 Governors to be, have
borne appreciative testimony. On the recommendation of
the late lamented Mr. G. H. Stuart, M. A., who was a great
admirer of my school - the Nature High School, Kumthakur who
had a high opinion of my attainments, character & work
I had the privilege of being as a member in these
Government Committees & Conferences in 1885, 1889 &
1900.

11
If I am again appointed a member, I promise to discharge my duty most conscientiously & to the best of my ability. Then alone my long experience as Teacher, Headmaster, Manager & Professor can be utilized, for I shall be placed in a position to give the benefit of my long experience in Teaching & Management, to the Conference. If on your recommendation to His Excellency, my claims are recognised, this recognition in itself, will be an honor done to me. Government has conferred on me the title of 'Ras Bahadur' & a Fellowship in the University. I stand alone here too, as there is not another graduate Head-Master and Manager of a High School in this Presidency or elsewhere that has been similarly honored & recognised:

Praying the excuse for the liberty I have taken in the matter of making this request in the interests of Education,

I beg to remain,

Sir,

Your most devoted & sincere servant
& ardent admirer
Ras Bahadur Appa Sastri
