Letter from W. Fyfe Esquire, Instructor in Manual Training
for European Schools, Madras, No. 29/16 M.T., dated 17th February
1916.

Ref : General Order of the Government of India No. 1243,
Simla, 21st September 1915.

"I have the honour to make application for an advance of
Rs. 500/- (Rupees five hundred) on the terms of the above order
to enable me to purchase a Motor bicycle to assist me in my
work of inspecting and superintending the drawing of the European
Schools.

In your Memorandum No. 3 E of 1916, dated 6th January 1916,
you state that the Director of Public Instruction is not pre-
pared to approach Government in the matter of my application
for conveyance allowance. I am still compelled therefore to
do much of my work with my ordinary bicycle, a method of pro-
gression which entails much time, leaves me scarcely in a fit
condition to do my work when I do arrive at the schools, and
I feel, is also seriously injurious to my health. I should
be glad if you would please deal with this application at your
earliest possible convenience. A friend who has joined the
Indian Army Reserve has offered to sell me his machine at a
very reasonable figure and should the advance be sanctioned
at an early date, I will be in a position to take advantage
of his offer".
