I have the honour to state that a sum of Rs.10,662 lapsed out of the Provincial grant sanctioned by Government during 1914-15, for the maintenance of Board Elementary and sessional schools. In paragraph 5 of Government Order No. 1113-Educational dated 26th November 1913, Government ordered that the above lapsed grant should be spent for improving the equipment of existing Elementary schools. There are several Board Elementary schools which are very deficient in accommodation. The Board has no funds to provide them with suitable buildings. The Taluk Board Presidents have proposed that out of the above lapsed grant, a sum of Rs.8,412 may be utilized towards the extension and construction of some school

buildings, and the balance Rs. 2250 may be utilized towards the equipment. The District Board at its meeting held on the 16th instant has approved of the proposal, and has resolved to request Government to sanction the same. A copy of the District Board resolution is submitted -- herewith. I have the honour therefore to request that Government may be pleased to sanction the proposal of the District Board.

I have the honour to be,

Sir,

Your most obedient servant,

For President, District Board.

Letter from the President, District Board, Kurnool, D. Dis
No. 134/16, dated 28th February 1916, to the Director of Public
Instruction, Madras.

With reference to your letter No. R.C.No.954/16, dated
14th February 1916, I have the honour to state that out of the
Provincial grant of Rs.51,696 excluding Rs.19,900 usual
contribution for old schools, sanctioned by Government
during the year 1914-15 for the maintenance of Board Elementary
and sessional schools, a sum of Rs.41,034 was spent within
the official year, and a sum of Rs.10,662 lapsed. The lapse
is chiefly due to:-

(1) Non-utilization of the full provision made for
additional teaching establishments, for want of the
requisite sanction of Government for the additional
teachers.

(2) Non-utilization of the full provision made for
enhancement of salaries of last grade teachers, for
want of requisite qualifications.

(3) Non-utilization of full provision made for stipends
of sessional school students for want of required
strength.

(4) Grant of leave on loss of pay to teachers in Elementary
schools without substitutes and

(5) payment of acting allowances to some sessional
school masters, instead of the full sanctioned pay.

2. A sum of Rs.17,650 was standing to the credit of the
District Board on the 1st April 1915 out of the subsidies
sanctioned during 1912-13, 1913-14 and 1914-15 for the
construction of and improvements to Elementary school buildings.
Works are now in progress for this grant, and it is expected
that the full amount will be spent before the 31st March 1916.
