Copy of ^{application} letter dated 3-12-15 from the Town Surveyor, Dindigul Municipality, to the Chairman, Municipal Council, Dindigul.

I beg to request that you will be so good as to recommend to Government to exempt me from passing the Deputy Surveyor's Test in view of my past service viz., two years as a field surveyor in 1995, seven years as a Deputy Surveyor in the Survey Department and 11 years in this Municipality from 1904 after my Training of Town Survey maintenance in Madras Central Office which was held for competent hands selected by the Director of Survey.

2. Further I underwent Theodolite Training and it has been found difficult to pass the Deputy Surveyor's Test owing to my age viz., 40. I am a non-brahmin by caste.

3. The remarks of the Land Records Tahsildar and the Land Records Superintendent in their Inspection Notes will disclose that I have given satisfaction in the discharge of my official duties.

4. The good work done by me to the best convincing proof of the Chairman & Secretary can also be seen from the last review made by Government on the Administration of this Municipality for 1914-15.

5. The Government have been sanctioning exemption under similar circumstances in other cases and I therefore crave your mercy to represent my case to Government.

It is usual to grant exemption under such circumstances. But recent precedent, granty and refusing on other grounds.

To Undersecretary

Indexes from 1905 onwards in the Revenue and Educational Departments have been looked into. No precedents granting or refusing exemptions from passing the Deputy Surveyor's test are traceable.

There is no precedent for granting such an exemption (all names), and I do not think that it would be desirable to create a very dangerous precedent that a good opinion of employers should dispense with educational qualification.
