Sir,

With reference to para 2 of G.O. No. 316 Edl., Mis., dated 18th March 1915 and the reminders thereon dated 7th June 1915 and 8th July 1915 requesting me to submit a plan of the site bearing R.S. No. 4123 and to state whether the authorities of the P.S. High School, Mylapore, agree to the acquisition of this site for use as a play ground for the school, I have the honour to state that the Correspondent of the school reports that the proposed ground is very far from Mylapore from which the majority of the pupils attending the school ^{Come} course. He suggested that a portion of R.S. No. 3543 which is nearer Mylapore than R.S. No. 4123 may be acquired for the purpose. This site, which is now under

(R)

plantain cultivation, appears to be at a slightly lower level than the one formerly selected but I do not think this will matter much. It is more central -- a consideration which should carry weight.

2 As the Correspondent has not indicated in the plan of R.S. No. 3543 the portion that will be required for the play ground, I am returning it to him in order to have marked thereon the portion to be acquired. When this information is received I shall request the Collector of Madras to furnish me with a valuation statement. On receipt of this statement I shall address Government again.

I have the honour to be,

Sir,

In continuation of my letter R. C. No. 10329/13 dated 17th September 1915, I have the honour to state that the correspondent, P. S. High School, Mylapore, has since proposed the acquisition of R. S. Nos 3541, 3542, and if these are insufficient a portion of 3543 for use as playground for his school. Sites No. 3541 and 3542 are in themselves insufficient for a suitable play ground and as there is also a proposal pending, to erect a new building for the school at one end of R. S. No. 3543, and also a hostel, I have in view the acquisition of the whole of R. S. No. 3543 which is approximately

approximately five acres in extent so as to have the new building for the school erected at one end of this site leaving the remaining portion for use as playground. On sites No 3541 and 3542 a hostel may be located at a subsequent date.

2. I am addressing the Collector of Madras to-day to furnish me with a valuation statement of the site in question, viz., R. S. No. 3543. Three fourths of the cost of the acquisition may be met from the allotment for playgrounds. As regards the remaining one fourth of the cost I shall, on receipt from the Collector of the valuation statement referred to above, ascertain from the correspondent of the school whether he is willing to bear a portion of the cost of the land required for the erection of the new building for the school.

I have the honour to be,

Sir,

With reference to Memorandum No. 3476-1, dated 5th

January 1916 and in continuation of my letter R.C.No. 10329/13 dated 27th January 1916, I have the honour to state that a valuation statement for Rs. 50,975-10-6 for the acquisition of the site bearing R.S.No. 3543 for constructing a new building and also for providing a play ground for the P.S. High School Mylapore, has been received from the Collector of Madras.

2. The Correspondent of the P.S. High School, Mylapore, reports that he is prepared to bear a half of one-fourth of this cost towards the cost of the land required for the erection

3. I am unable at present to indicate any source from which the remaining cost of the site in question can be met by Government. The scheme presumably will have to wait for better times, when unfortunately the cost of acquisition will have gone up.
