G.O. No. 759, Educational, dated the 30th June 1914.

ABSTRACT.—Stating that the Government will be prepared to sanction the payment to the Y.M.C.A. for a period not exceeding five years and a half of an annual grant of Rs. 2,760 or one-third of the salary, whichever may be less, towards the cost of employment of a physical director.

II

Letter—from the Hon'ble Mr. J. H. STONE, M.A., C.I.E., F.R.H.S., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 4th March 1916.

No.—Ref. on Cur. 9848 of 1915.

With reference to G.O. No. 759, Educational, dated 30th June 1914, I have the honour to state that the General Secretary to the Y.M.C.A., Madras, informs me that Mr. A. G. Noehren has been appointed physical director and adviser to Government in physical education in Madras and that he arrived from America on the 19th December 1915 and assumed charge of his duties on the next day. Mr. Noehren is reported to possess the undermentioned educational qualifications:—

(i) Three years of Bachelor of Arts course at William's College in the New York University affiliating with the theological course in the Princeton Theological Seminary from which he graduated in 1911.

(ii) Three years of medical training at the University of Virginia Medical College which is an A-1 Institution according to the Carnegie Foundation which investigated all the Medical Colleges.

As to his experience in physical education it is reported that he accepted an invitation from the University College of Aberystwyth to introduce and develop principles of physical education in the University of Wales in the University session of 1908-09 and that he was also—

Physical director and coach of the gymnastic team, Princeton University, two University sessions;

Physical director, University of Virginia, three years;

Director and supervisor of the Italian Settlement Playground, New York City, two consecutive summers; and

Director and supervisor of the Municipal Model Playground at Canandayna, New York, two summers.

Although Mr. Noehren has not completed his final year in medicine the Home Committee of the Y.M.C.A. felt that the need for an early appointment after the unavoidable delay of some time would justify his discontinuing his course. I consider that the qualifications of Mr. Noehren may be accepted.

2. The General Secretary to the Y.M.C.A. informs me that the physical director is appointed on the same basis as other Y.M.C.A. Secretaries and that Mr. Noehren is to be paid a salary of Rs. 3,600, house allowance of Rs. 1,560, carriage allowance of Rs. 730, hill allowance of Rs. 300 and child allowance of Rs. 300, i.e., in all Rs. 6,540 per annum. The physical director has also been paid an outfit allowance of Rs. 1,800 and passage from New York to Madras and return amounting to Rs. 4,900. The General Secretary says that the physical director is entitled to six months' leave at home at the end of 5½ years and hence proposes to distribute the outfit allowance and passage money together with the director's pay

for the six months of his leave among the 5½ years for which grants have been promised by Government and reckons the annual cost on account of the physical director to be Rs. 8,353. The passage money and the outfit allowance for the physical director have to be met and there is no reason why Government should not help the Y.M.C.A. on this account and spreading this expenditure over 5½ years as proposed by the Secretary prevents Government paying too much which they might do if by some accident the physical director only served for a short time and Government had paid a lump grant towards the passage money and outfit allowance. I therefore recommend that the full grant of Rs. 2,760 per annum already promised by Government may be paid.

3. The Secretary says that it would be a decided convenience to his committee's present arrangements if the Government grant could be paid in monthly instalments of Rs. 230 with arrears from the time of arrival in Madras of the physical director. I recommend the Secretary's request. The Secretary will, if Government so desire, be asked to submit the monthly grant bills to the Deputy Director of Public Instruction for countersignature before encashment.

4. A sum of Rs. 2,760 was included in the current year's budget estimate of Rs. 3,100 under "Teaching Grants to Schools, Technical for Boys" towards the grant to the Y.M.C.A. on behalf of the physical director. As no report regarding the entertainment of the physical director was received from the Secretary of the Y.M.C.A., a sum of Rs. 2,700 was surrendered in this office letter R.C. No. 9361/1915, dated 14th December 1915, disposed of in G.O. R. No. 403, Financial, dated 18th December 1915. As a sum of Rs. 556-7-3 is required during the current official year for which a sum of Rs. 60 only is available, I am submitting through the Accountant-General a reappropriation statement for the additional amount of Rs. 500.

III

No.—Ref. on Cur. 9848/15.

With reference to paragraph 4 of my letter to Government R.C. No. 9843/15, dated 4th March 1916, I have the honour to submit for the sanction of Government a reappropriation statement in duplicate for the amount required for payment to the Y.M.C.A. towards the grant promised for the entertainment of the physical director.

FINANCIAL DEPARTMENT.

In G.O. No. 759, Educational, dated 30th June 1914 (page 7), the Government promised to sanction the payment to the Young Men's Christian Association, for a period not exceeding five years and a half, of an annual grant of Rs. 2,760 or one-third of the salary, whichever may be less, towards the cost of employment of a Physical Director. The annual cost on account of the Physical Director amounts to Rs. 8,353, including the pay and allowances, outfit allowance and passage money. The Director of Public Instruction recommends that the full grant of Rs. 2,760, which is less than one-third (Rs. 2,784) of the total cost of Rs. 8,353, may be paid. The Director of Public Instruction also recommends that the grant of Rs. 2,760 be paid in monthly instalments of Rs. 230.

2. For the expenditure in the current year, the Director of Public Instruction has submitted the necessary reappropriation statement. For next year, the necessary provision * has been made in the budget under 22-G. Education—Grants-in-aid—Non-European schools, teaching grants—Schools, special—(Technical, Boys).

3. Submitted that the proposal may be accepted.

V.G.K.—16-3-16.

Will Chief Secretary please see the routine note below which shows how the annual cost of Rs. 8,353 is made up. It will be observed that the figure provides *inter alia* for the grant to the instructor while on leave of payment of house allowance, carriage allowance and hill allowance. If these allowances are omitted from the

276

calculation our contribution will be Rs. 2,704 against Rs. 2,760 recommended. The difference is small and I am not sure whether we can demur to these allowances being given while the Director is on leave, or if they are given, to bearing our share of the cost.

L. E. KERSHAW—17-3-16.

It really extends our contribution over 6 years instead of 5½ but I do not think we need demur.
