GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 28th February 1916.

No.—R.C. 8419 of 1914.

With reference to item 6 of paragraph 4 of my letter R.C. No. 8419/14, dated 11th February 1915, I have the honour to propose that a teacher capable of imparting instruction in Hindustani may be employed in each of the six undermentioned schools in which there is a considerable number of Muhammadan pupils and where inadequate or no facilities at present exist for such instruction. He will not be called a Munshi and his pay may be fixed at Rs. 20--1--25 per mensem. The annual recurring expenditure for each school comes to Rs. 276, the average cost being Rs. 23 per mensem. I recommend that the whole amount be paid to the municipal councils concerned and that permission be granted to them to utilize the same on approved non-recurring items of expenditure, viz., Hindustani books and furniture for Hindustani class, as it will not be possible to spend any portion of the subsidy this year on recurring expenditure. As regards the schools under private management, I consider that this amount must lapse during the current year. In sanctioning teaching grants for next year to these schools, I propose to give them an additional sum, if the management is willing to entertain the teacher referred to in the proposal.

Schools under public management.

- (1) Municipal High School, Kurnool.
- (2) Brennen College, Tellicherry.
- (3) Municipal High School, Dindigul.

Schools under private management.

- (1) U. F. C. M. High School, Conjeeveram.
- (2) S. P. G. High School, Tanjore.
- (3) A. M. College, Madura.

Order—No. 330, Educational, dated 27th March 1916.

The Government approve the proposals of the Director of Public Instruction for the provision of adequate facilities for imparting instruction in Hindustani in the six institutions specified in his letter read above.

2. The Government also sanction the payment in the current year of a subsidy of Rs. 276 each to the municipal councils of Kurnool, Tellicherry and Dindigul. The Accountant-General will be requested to place the amounts at the disposal of the local bodies at an early date. The expenditure will be met from the lump provision of Rs. 30,000 entered in the Civil Budget Estimate for the improvement of Muhammadan education.

3. The municipal councils concerned will be permitted to spend these allotments on non-recurring items of expenditure such as those referred to in the Director's letter.

From the Director of Public Instruction, dated 28th February 1916,
No. 8419.

The total number of Muhammadan pupils in 1914-15 in the several institutions referred to in the Director's letter is noted below :—

Institution.	Number of Muhammadan pupils.
1. Municipal High school, Kurnool	144
2. Brennen College, Tellicherry	99
3. Municipal High school, Dindigul	24
4. U.F.C.M. High school, Conjeeveram	31
5. S.P.G. High school, Tanjore	62
6. A.M. College, Madura	120

From the above it will be seen that the numbers of pupils in institutions Nos. 3 and 4 do not seem to justify the employment of a Hindustani munshi in them. For

I would approve.

orders whether the Director's proposal to sanction grants to all the above six schools should be approved.

2. The suggestions, not to pay any grants to the private schools in the current year and to permit the local bodies to utilize the current year's subsidy on approved non-recurring items of expenditure seem acceptable.

FINANCIAL DEPARTMENT.

Please see paragraph 6 (5) of Educational Department note on page 4 and Financial Department note on page 5 of Notes to G.O. 729, Educational, dated 3rd July 1915, in which the proposal to spend a sum of about Rs. 1,700 on subsidies to local bodies and aided schools towards the pay of Hindustani teachers to be employed by them was generally accepted. The amount comes out of the recurring grant of Rs. 30,000 given by the Government of India for Muhammadan education with effect from 1914-15—cf. G.O. 657, Financial, dated 19th September 1914.

The present proposal to give a subsidy of Rs. 276 per annum to each of the six schools (three municipal and three private schools) where Hindustani teachers on Rs. 20-1-25 per mensem are to be employed may be accepted.

2. No expenditure will be incurred on this object in the current year. But the Director of Public Instruction proposes that in the case of municipal schools, the grant of Rs. 276 each may be paid in the current year to be utilized on non-recurring objects, such as purchase of Hindustani books, etc. In the case of private institutions, the amount (Rs. 3 × 276 =) Rs. 828 will lapse. The proposal may perhaps be accepted.
