The balance still payable on account of the extension to the Board High school buildings at Tiruvalur is Rs.3,335. The cost of the extensions is being met from the Imperial grant of 49 lakhs- G.O.789 Edl, dated the 23rd August 1913. No special provision out of this grant has been made in the current year's C.B.E. for payment of the balance to the Tanjore District Board. It is therefore submitted that the D.P.I. may be asked u.o. to stated if he can suggest any source from which the required allotment can be found.

In the current year budget allotment under 22 E Govt. school General-payments in support of Local Board schools includes Rs.5,000 for meeting any pressing demands on account of repairs to building, furniture &c. The amount of Rs.3,335 might be met from this but this might leave us unable to meet really emergent demands. It will probably be easy towards the end of the year to find some savings from which the amount may be met.

Educational department.

As the balance required for the extension to the Board High school, Tiruvalur, will have to be paid in the current year in any case, it appears desirable to sanction its payment at once out of the sum of Rs.5,000 referred to above. If any pressing demands on account of repairs to buildings, furniture etc. crop up later on, they can be met from the savings referred to supra. For orders whether the amount may be sanctioned now. As the work is likely to have been completed by this time, it may be sufficient to pay the amount actually expended which may be ascertained u.o. from the P.W.D.

sanctioned under 45 Civil Works Provincial and not under '22 Education' as the building will remain the property of Govt. The grant of Rs. 16,000 provided for the work during last year under 45 Provincial was subsequently transferred to 22 Education and disbursed to the local body under a misapprehension that the building will be the property of the local body. The A.G. will have to be asked to account the last year's expenditure under 45 Provincial.

3. The grant of Rs. 4000 required for the work in the current year will also have to be sanctioned under 45 Provincial. The allotment will have to be made by Financial from the source referred to on page 2 ante.
